Course Registration

- **Registration for the fall 2025 semester begins on Tuesday, July 15.** Please check your Memorial Self-Service account for your assigned registration time. We strongly encourage you to register at your designated time, as courses and sections fill up quickly. **Once**

business courses have reached the maximum enrolment, the Faculty of Business Administration will not sign students into the section.

- Please note that only students admitted to one of our programs beyond Business One will be able to register for BUSI 200W and courses at the 3000 level or higher. If you require courses beyond the 2000 level in fall 2025 and are not yet admitted, please email busihelp@mun.ca.

Business and Non-Business Electives

- To assist you in selecting courses and reviewing your academic record, please be mindful of the following information. Non-business courses listed in the [business electives table](#) may count as a business OR a non-business elective - whichever works best for you in planning your remaining electives. STAT 2500 is a core business course, not an elective.

- As part of your undergraduate business program, through your non-business electives, you may wish to complete a minor from the [Faculty of Humanities and Social Sciences](#), the [Faculty of Science](#), the [School of Music](#) or the [Marine Institute](#), or a [certificate](#) or [diploma](#) from the [Faculty of Humanities and Social Sciences](#). Course requirements toward such credentials should be completed during academic terms of your program, where possible. Please seek advice on fitting this credential into your program from the respective department(s) and the Academic Programs Office prior to registration.
-

Business Focus Areas

- **Business [focus areas](#) are informal, are not noted on your official transcript, and do not need to be declared.** The courses associated with each concentration in the Calendar serve as a suggestion of courses related to your area of interest. Particular attention should be paid to necessary prerequisites when planning courses.
 - Those planning on completing courses associated with the informal accounting focus area should review the below, which outlines normal sequencing of accounting electives:
 - Fall - BUSI 3160
