Non-business courses listed in the [business electives table](#) (e.g. ECON 3000, MATH 2050, POSC 2200), may count as a business OR a non-business elective - whichever works best for you in planning your remaining electives. Please seek advice on fitting this credential into your program from the respective department(s) and the Academic Programs Office prior to registration.
 - If you plan to pursue the [Joint Degrees of Bachelor of Commerce \(Co-operative\) and Bachelor of Arts](#), careful planning is required. Regular academic advice from the [Faculty of Business Administration](#) and the [Faculty of Humanities and Social Sciences](#) is necessary.
-

Business Concentrations

- **Business concentrations are informal, are not noted on your official transcript, and do not need to be declared.** The courses associated with each concentration in the Calendar serve as a suggestion of courses related to your area of interest. Particular attention should be paid to necessary prerequisites when planning courses.
