### WINTER 2022 COURSE DELIVERY

- [Memorial is planning for Winter 2022 in-person university activities to return to mainly pre-pandemic conditions](#). New and current students should make plans to be on our campuses for their university experiences this winter, unless all of the courses they are registered for are offered online. Updates regarding business course delivery are available [here](#).
  - [MUNUp](#) is an online tools and resources hub created to help you succeed in completing your coursework. Additionally, CITL staff are available to assist you through the [Support Centre](#) during select office hours, seven days a week.
- 

### ACADEMIC INFORMATION

#### Calendar

- Please refer to the [Faculty of Business Administration section of the Calendar](#) for the regulations of your program of study.
-

## Program Requirements

A review of the B.Comm. (Co-op.) program curriculum in the [Calendar](#) will assist you with your registration process.

### Winter 2022 – Term 7

- You should register for and complete the following courses in Winter 2022:
    - BUSI 7000 (if not taken in Term 6) and four electives (12 credit hours); OR
    - Five electives (15 credit hours) (if BUSI 7000 was successfully completed in Fall 2021).
  - **Between Terms 1 through 7**, students in the B.Comm. (Co-op.) program are required to complete **7 – 12 courses in business electives and 4 – 9 courses in non-business electives**. Do not count the non-business electives that you completed in Terms A/B. Our [program worksheet](#) can assist you in reviewing your academic record.
  - For the purposes of meeting the 15 credit hour course load requirement, students in the B.Comm. (Co-op.) may not repeat previous, successfully completed courses that are used toward their degree. If you are looking to repeat a course that you have already successfully completed, please contact [busihelp@mun.ca](mailto:busihelp@mun.ca) to connect with an academic advisor.
  - If you were admitted with advanced standing to Term 3 or 4, or are completing a joint degree and require assistance with your program audit, please contact the Assistant Registrar, Faculty of Business Administration ([business\\_registrar@mun.ca](mailto:business_registrar@mun.ca)).
- 

## Course Registration

- **Registration for the Winter 2022 semester begins on Monday, November 1.** Please check your Memorial Self-Service account for your assigned registration time. We strongly encourage you to register at your designated time, as courses and sections fill up quickly. **Once business courses have reached the maximum enrolment, the Faculty of Business Administration will not sign students into the section.**
  - **Course load requirements.** In accordance with Section 5.2.2 in the [Calendar](#), B.Comm. (Co-op.) **students must register for 15 credit hours (five courses) in each academic semester**. The 15 credit hours (five courses) registration requirement applies to all students, even if you have completed additional courses over the duration of your degree. If you fail to comply with this regulation, you will be required to withdraw from the B.Comm. (Co-op.) program.
  - **Course prerequisites.** The Faculty of Business Administration strictly enforces prerequisites for business courses. Prerequisites for each course are listed with course descriptions in the [Calendar](#).
  - For questions or help using the Memorial Self-Service system, visit the [Registrar's Office webpage](#).
- 

## Business and Non-Business Electives

- To assist you in selecting courses and reviewing your academic record, please be mindful of the following information. Non-business courses listed in the [business electives table](#) (e.g. ECON 3000, MATH 2050, POSC 2200) may count as a business OR a non-business elective - whichever works best for you in planning your remaining electives. STAT 2500 is a core business course, not an elective.

- As part of your undergraduate business program, through your non-business electives, you can choose to complete a minor from the [Faculty of Humanities and Social Sciences](#), the [Faculty of Science](#), the [School of Music](#) or the [Marine Institute](#), or a [certificate](#) or [diploma](#) from the [Faculty of Humanities and Social Sciences](#). Course requirements toward such credentials should be completed during academic terms of your program, where possible. Please seek advice on fitting this credential into your program from the respective department(s) and the [Academic Programs Office, Faculty of Business Administration](#) prior to registration.
  - If you plan to pursue the [Joint Degrees of Bachelor of Commerce \(Co-operative\) and Bachelor of Arts](#), careful planning is required. Regular academic advice from the [Faculty of Business Administration](#) and the [Faculty of Humanities and Social Sciences](#) is necessary.
- 

### Business Concentrations

- **Business [concentrations](#) are informal, are not noted on your official transcript, and do not need to be declared.** The courses associated with each concentration in the Calendar serve as a suggestion of courses related to your area of interest. Particular attention should be paid to necessary prerequisites when planning courses.
  - Those planning on completing courses associated with the informal accounting concentration should review the below, which outlines normal sequencing of accounting electives:
    - Term 3 - BUSI 5160
    - Term 5 - BUSI 5500, BUSI 6100
    - Term 6 - BUSI 6110, BUSI 6120, BUSI 6130
    - Term 7 - BUSI 7120, BUSI 7125, BUSI 7160
-
