Faculty of Science
Department of Chemistry
Per-Course Appointment – Chemistry 1050

The Department of Chemistry invites applications from individuals interested in teaching the following undergraduate chemistry course in the Spring 2020 semester. The successful applicant will not be responsible for the labs.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course curriculum, design, and evaluation methods for all courses will be in accordance with the Department of Chemistry policies and the Memorial University Calendar.

Course Title: General Chemistry I - Chemistry 1050
Course Schedule: Lectures: MWF 9:00-9:50 am
Academic Term: Spring 2020
Start Date: May 11, 2020 (Lectures begin for term)
End Date: August 15, 2020 (Last day of exams)
Campus Location: St. John’s, NL
Course Description: General Chemistry I builds on basic chemistry concepts from high school. Topics include gases; thermochemistry; atomic structure; periodic properties; chemical bonding including valence bond theory; hybridization and introduction to molecular orbital theory; properties of liquids and solids.
For further information regarding this course please visit http://www.mun.ca/chem/

Qualifications: A minimum MSc in chemistry or a related area and/or previous experience in teaching first year Chemistry courses is required.

Salary is as per the MUN-LUMUN Collective Agreement.

To apply for this position:
Please submit a letter of application, curriculum vitae, and the names of referees, electronically to:
Dr. Sunil V. Pansare, Head, Department of Chemistry
Memorial University of Newfoundland
St. John’s NL, A1B 3X7
E-mail: chemhead@mun.ca.
Please submit all applications and curriculum vitae electronically.

The deadline date for submission of applications is March 2, 2020.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
