Faculty of Science
Department of Chemistry
Per-Course Appointment – Chemistry 4500/6385

The Department of Chemistry invites applications from individuals interested in teaching the following undergraduate/graduate chemistry course in the 2022 Winter semester. The successful applicant will not be responsible for the labs.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course curriculum, design, and evaluation methods for all courses will be in accordance with the Department of Chemistry policies and the Memorial University Calendar.

Course Title: 4500/6385 Advanced Nuclear Magnetic Resonance Spectroscopy/Special Topics in Physical Chemistry

Course Schedule: Lectures: MW 12:30-1:45 pm and R 2:00-4:50 pm (lab)

Start Date: January 6, 2022 (Lectures begin for term)
End Date: April 23, 2022 (Last day of exams)
Campus Location: St. John’s, NL

Course Description: Advanced Nuclear Magnetic Resonance Spectroscopy examines advances in modern and traditional NMR techniques, the principles and applications of solution and solid-state NMR spectroscopy and micro imaging.

Qualifications: A minimum MSc in chemistry with relevant expertise in NMR and previous experience in teaching NMR spectroscopy.

Salary is as per the MUN-LUMUN Collective Agreement.

To apply for this position:
Please submit a letter of application, curriculum vitae, and the names of referees, electronically to:
Dr. Sunil V. Pansare, Head, Department of Chemistry
Memorial University of Newfoundland
St. John’s NL, A1B 3X7
E-mail: chemhead@mun.ca.
Please submit all applications and curriculum vitae electronically.

The deadline date for submission of applications is November 30, 2021.

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
