

Student Profile

Notes

The data found in this section of the *Fact Book* have been compiled by the Office of the Registrar from their computerized files. The following definitions (as found in the University *Calendar*, www.mun.ca/regoff/calendar) and explanations should be noted:

Definitions:

- Undergraduate students are categorized as follows:
 - * first-year students have earned fewer than 18 credit hours;
 - * second-year students have earned from 18 to 47 credit hours inclusive;
 - * third-year students have earned from 48 to 77 credit hours inclusive;
 - * fourth-year students have earned from 78 to 107 credit hours inclusive; and
 - * fifth-year students are those who have earned not fewer than 108 credit hours.
- Full-time undergraduate students: students who have been admitted to this University and who are registered in at least nine credit hours for the duration of any semester or at least five credit hours in a session are deemed full-time students (reference University *Calendar* 2023-2024). (For full-time undergraduate student classification as it pertains to the programs at the Marine Institute, work-term students and members of University committees, see University *Calendar* 2023-2024, section 6.1.) Part-time undergraduate students: students who have been admitted to this University and who are registered for fewer than nine credit hours in any semester or fewer than five credit hours in any session (reference University *Calendar* 2023-2024).
- A graduate student is one who has been admitted to a graduate degree or a graduate diploma program. A full-time graduate student is one who registers as such, devotes full time to his or her academic program and may not commit more than 24 hours a week working time, including teaching assistant or research assistant duties, to matters other than the degree program (reference University *Calendar* 2023-2024). A part-time graduate student is one who is registered for the duration of a semester and is not classified as full-time (reference University *Calendar* 2023-2024).
- Full-time equivalent (FTE) enrolment is computed as full-time enrolment + (part-time enrolment/3.5).

Explanations:

- Only enrolment data from the **Fall Semester** are shown in this *Fact Book*.
- Enrolment data, for all tables, are compiled as of the end of the regular registration period which is two weeks after the start of classes. Data for Tables S3, S4, S4A and S8 are generated after Fall convocation.
- Beginning in 2003-2004, Table S1 and Table S2 full-time and part-time undergraduate enrolment includes level '04' Diploma in Information Technology students. Level '04' enrolment is now included in the following Tables of the Student Profile: Table S5, S7A, S9, S11, S12 and S13.
- Data recorded are as indicated on students' application for admission/readmission and other appropriate forms.
- The 'unspecified' category in student enrolment includes 'not applicable', 'not specified', 'undeclared', and 'other'.
- Tables S16, S17 and S18 refer to students attending the Marine Institute.
- After 2004, the methodology for Tables S12, S13, S14 and S15 data are based on enrolled students' citizenship and permanent residence at the time of application.
