Memorial University Webex Quick Start Guide

Memorial University’s Webex platform can always be accessed through mun.webex.com. However, first time users should follow the below instructions to access and begin using their personal Cisco Webex Meeting Room.

1.) Once you have received an invite to Webex from webex_comm@webex.com, please follow the “Activate” link found in the e-mail.

3.) Enter your MUN e-mail address and select “Next”.

4.) You will then be directed to Memorial University’s login portal where you can enter your domain login credentials.
5.) Once you have successfully authenticated, you will be redirected to your personal meeting room.

6.) To start a meeting, you can simply use the “Start a Meeting” button. If you cannot install the desktop application due to administrative privileges or would prefer to use the web browser, please wait for the “Join from your browser.” option to appear.
