FACULTY OF SCIENCE
Department of Computer Science
Per-Course Appointment

The Department of Computer Science invites applications from individuals interested in teaching Computer Science 2001 in the Winter 2019 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with Computer Science policies and regulations and the Memorial University Calendar.

Course Title: COMP 2001 Object-Oriented Programming and Human-Computer Interaction
Course Schedule: Lectures on Tuesdays and Thursdays, 10:30-11:45 a.m. (Slot 18), and Lab on Mondays, 2:00 p.m. to 4:50 p.m. (Slot 61)

Campus Location: St. John’s
Course Description: COMP 2001 Object-Oriented Programming and Human-Computer Interaction advances from Introduction to Programming and studies object-oriented programming. Additional topics include event-driven programming, program correctness and simple refactoring, as well as interfaces and human-computer interaction. A brief overview of programming languages is also provided. For further information regarding the Computer Science undergraduate program, including this course, refer to the Current Handbook at www.mun.ca/computerscience/ugrad

Qualifications: A general knowledge of all areas of Computer Science is required. Familiarity with both hardware and software of computer systems is necessary. The applicant should be able to confer excitement about the field of Computer Science. Prior teaching experience with course material for Computer science is highly beneficial. Applicants should have a Master's degree in Computer Science or closely related discipline, or equivalent combination of education and experience.

To apply for this position:
Please submit a letter of application, curriculum vitae and the names of referees with contact information, electronically or in writing to:

Dr. Minglun Gong, Department Head
Department of Computer Science
Memorial University of Newfoundland
St. John’s, NL, A1B 3X5
Email: cs-chair@mun.ca
Tel: (709) 864-8652 Fax: (709) 864-2009

Salary: As per the MUN-LUMUN Collective Agreement
Closing Date: Wednesday, October 31, 2018

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University of Newfoundland is committed to employment equity and encourages applications from qualified women and men, visible minorities, aboriginal people and persons with disabilities.
