The Department of Computer Science invites applications from individuals interested in teaching Computer Science 1001 in the Winter 2023 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Computer Science policies and regulations and the Memorial University Calendar.

**Course Title:** COMP 1001 Introduction to Programming

**Course Schedule:** Lectures: Mondays, Wednesdays, and Fridays, 2:00 to 2:50 p.m. (Slot 7), and Labs: Wednesdays, 7:00-9:50 p.m. (Slot 83)

**Campus Location:** St. John’s

**Course Description:** COMP 1001 Introduction to Programming is an introduction to fundamental programming techniques, primitive data types, and to simple algorithms and their design concepts.

For further information regarding the Computer Science undergraduate program, including this course, refer to the Departmental website at https://www.mun.ca/computerscience/undergraduates/

**Qualifications:** Knowledge of programming in Python. The applicant should be able to confer excitement about the field of Computer Science. Prior teaching experience with course material for Computer science is highly beneficial. Applicants should have a Master’s degree in Computer Science or closely related discipline, or equivalent combination of education and experience.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of three referees with contact information, via email to:

Dr. Adrian Fiech, Interim Department Head  
Department of Computer Science  
Memorial University of Newfoundland  
St. John’s, NL, A1B 3X5  
Email: cs-chair@mun.ca

**Salary:** As per the MUN-LUMUN Collective Agreement

**Closing Date:** Monday, October 24, 2022

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. Memorial University of Newfoundland is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
