FACULTY OF SCIENCE **Department of Computer Science** Per-Course Appointment

The Department of Computer Science invites applications from individuals interested in teaching Computer Science 3100 in the Winter 2024 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Department of Computer Science regulations and the Memorial University Calendar.

Course Title: COMP 3100 Web Programming

Course Schedule: Lectures: Mondays, Wednesdays, and Fridays, 9:00 to 9:50 a.m. (Slot 2).

Campus Location: St. John's

Course Description: COMP 3100 studies the web information system from a programming perspective. It teaches how web data is transferred across the network, how to design interactive browser content, and how to provide dynamic pages from the server.

For further information regarding this course, please visit: <https://www.mun.ca/computerscience/undergraduates/courses/comp-3100-web-programming/>

Qualifications: A general knowledge of all areas of Computer Science and in depth understanding of web programming and full-stack development is required. Familiarity with HTML, CSS, JavaScript, JSON, and Node.js is necessary. The applicant should be able to confer excitement about the field of Computer Science. Prior teaching experience with course material for Computer science is highly beneficial. Applicants should have a Master's degree in Computer Science or closely related discipline, or equivalent combination of education and experience.

To apply for this position:

Please submit a letter of application, curriculum vitae, and the names of three referees, electronically or in writing to:

Dr. Sharene Bungay, Department Head
Department of Computer Science
Memorial University of Newfoundland
St. John's, NL, A1B 3X5
Email: cs-chair@mun.ca

Salary: As per the MUN-LUMUN Collective Agreement

Closing Date: Friday, November 10, 2023

Memorial University is committed to employment equity and diversity and encourages applications from all qualified candidates, including women; people of any sexual orientation, gender identity, or gender expression; Indigenous peoples; visible minorities, and racialized people; and people with disabilities.
