ST. JOHN'S

## O CANADA

O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.

*God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.*

O Canada! Terre de nos aïeux  
Ton front est ceint de fleurons glorieux!  
Car ton bras sait porter l'épée,  
Il sait porter la croix!  
Ton histoire est une épopée  
Des plus brillants exploits!

*Et ta valeur, de foi trempée  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.*

## ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,  
And Summer spreads her hand,  
When silvern voices tune thy rills,  
We love thee smiling land.  
We love thee, we love thee,  
We love thee, smiling land.

When spreads thy cloak of shimm'ring white,  
At Winter's stern command,  
Through shortened day and starlit night,  
We love thee, frozen land.  
We love thee, we love thee,  
We love thee, frozen land.

When blinding storm gusts fret thy shore,  
And wild waves lash thy strand,  
Through spindrift swirl and tempest roar,  
We love thee, wind-swept land.  
We love thee, we love thee,  
We love thee, wind-swept land.

As loved our fathers, so we love,  
Where once they stood we stand.  
Their prayers we raise to Heaven above:  
God guard thee, Newfoundland!  
God guard thee, God guard thee,  
God guard thee, Newfoundland.

wherever  
you are,  
come  
join us.

**HONORARY DEGREES**

Candidates for honorary degrees may be nominated by any member of the community to the Senate Committee on Honorary Degrees and Ceremonial which, after due consideration, forwards its recommendations to Senate for approval.

To be considered for an honorary degree, candidates must normally have been benefactors of the university, or persons who have achieved eminence in learning or in the arts, or those who have otherwise distinguished themselves by outstanding public service.

---

**PAT CARNEY**

A business journalist, economic consultant and educator, Pat Carney is best known as a federal politician who blazed a trail for women in politics in Canada.

Recruited by the Progressive Conservative Party to run in the 1979 election, Ms. Carney represented the riding of Vancouver Centre as member of Parliament in the House of Commons from 1980-88, the first Conservative woman elected in B.C.

She served as minister of Energy, Mines and Resources, where she negotiated the Atlantic Accord with the Government of Newfoundland and Labrador, which led to the development of Atlantic offshore oil and gas resources.

As minister of International Trade, she was mandated with the responsibility for the Canada-U.S. Free Trade Agreement. As president of the Treasury Board, she initiated a Task Force on Barriers to Women in the Public Service.

She was the first woman appointed to these senior economic cabinet posts.

Ms. Carney also served in the Senate of Canada between 1990-2008.

She was awarded the Order of Canada in 2011 for her achievements as a journalist, politician and senator in contributing to Canada's economic and political development.

For her distinguished service as a member of the House of Commons and Senate and for her role in the advancement of women in public life, Pat Carney will receive the degree of doctor of laws *honoris causa* on Thursday, Oct. 20, during the 3 p.m. session of fall convocation in St. John's.

**WILLIAM MARSHALL**

Hon. William Marshall had a distinguished career both in politics and the law. For 16 years, from 1970-86, he was the member of the House of Assembly for St. John's East and, as minister of Energy, fought tirelessly

for provincial power to regulate the Hibernia oil field as well as the Churchill Falls hydroelectric power development in Labrador.

In 1985 Mr. Marshall was one of the signatories of the Canada-Newfoundland Atlantic Accord, which awarded Newfoundland and Labrador the benefits of offshore oil development, including a \$300-million development fund. Memorial University was the first beneficiary of the fund, receiving \$27 million to build the Centre for Earth Resource Research in the Alexander Murray (Earth Sciences) building on the St. John's campus.

Upon leaving politics in 1986, Mr. Marshall was appointed to

Newfoundland and Labrador's Court of Appeal the same year. Notably, while serving in that capacity, he wrote two judgments that freed two men convicted of murder from prison. Both were subsequently acquitted. Mr. Marshall retired from the bench in 2003.

For his contribution to public life in Newfoundland and Labrador, in particular his role in ensuring the province receive a share of the wealth from offshore oil, William Marshall will receive the degree of doctor of laws *honoris causa* on Thursday, Oct. 20, during the 10 a.m. session of fall convocation in St. John's.

**PROFESSORES EMERITI**

A professor *emeritus* is a retired member of the faculty who has served at least ten years as a full-time faculty member and held the rank of professor upon retirement. The prime criteria for nomination are a sustained and superlative record as a scholar, as a teacher or as an academic administrator or any combination of these.

Candidates for the rank professor *emeritus* are nominated by their academic unit and, as with candidates for honorary degrees, the nominations are then reviewed by the Senate's Committee on Honorary Degrees and Ceremonial. Having reviewed the nominations, the committee forwards its recommendations to the University's Senate and then to the Board of Regents for consideration.

The recipients being presented at Fall Convocation 2016 in St. John's are:

- Dr. Ken Barter, School of Social Work
- Dr. Shakti Chandra, Faculty of Medicine
- Dr. Alice Collins, Faculty of Education
- Dr. Beverley Diamond, School of Music

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering professor Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick's Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial's registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial's Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John's Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial's Convocation. Fall Convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred Grenfell College, Memorial's Corner Brook campus (now Grenfell Campus).

The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university's authority and the presence of which signals the official opening of Convocation – and the marshals' staves were donated by Chancellor Lord Thomson in 1961. The original chancellor's chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John's firm of Clarmanis and Son Ltd.; the chairs bear the university's coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John's and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor's chair and the four companion chairs, which were completed in 2006. They also donated the two speaker's lecterns, which were completed in 2007. The Roberts' contributions to the suite of furniture

were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College ('31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Grenfell Campus, Dr. Michael Parker, was commissioned to create a special suite of music for Convocation ceremonies. The suite premiered at Spring Convocation 2009 and is dedicated to the late Ferriss Hodgett, vice-principal of Grenfell Campus, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, webcasting (by the university's Centre for Innovation in Teaching and Learning unit) which virtually brings the ceremony to the whole world via the university website at [www.mun.ca](http://www.mun.ca). Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs and Development, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, nearing 90,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.

**WW100**

MEMORIAL UNIVERSITY

MEMORIAL UNIVERSITY COLLEGE was founded in 1925 as a living memorial to the men and women who lost their lives on active service during the First World War —“that in freedom of learning their cause and sacrifice might not be forgotten.” In recognition of this unique origin and to mark the 2014–19 centenary of the First World War, Memorial University has established the WW100 program.

The WW100 graphic features a stylized blue forget-me-not flower which was the traditional flower of remembrance in Newfoundland and Labrador as early as 1917. The centre of the forget-me-not is coloured claret, one of the university’s official colours which was selected to honour the Royal Newfoundland Regiment. The claret centre is also symbolic of the poppy which is a commemorative image in many countries. For more information on the WW100 program and the university’s activities associated with the centenary of Beaumont Hamel, please visit [www.mun.ca/ww100](http://www.mun.ca/ww100).
