# CONVOCAATION

*Spring, 2018*

CORNER BROOK

## O CANADA

O Canada! Our home and native land!  
True patriot love in all of us command.  
With glowing hearts we see thee rise  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.

*God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.*

O Canada! Terre de nos aïeux  
Ton front est ceint de fleurons glorieux!  
Car ton bras sait porter l'épée,  
Il sait porter la croix!  
Ton histoire est une épopée  
Des plus brillants exploits!

*Et ta valeur, de foi trempée  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.*

## ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,  
And Summer spreads her hand,  
When silvern voices tune thy rills,  
We love thee smiling land.  
We love thee, we love thee,  
We love thee, smiling land.

When spreads thy cloak of shimm'ring white,  
At Winter's stern command,  
Through shortened day and starlit night,  
We love thee, frozen land.  
We love thee, we love thee,  
We love thee, frozen land.

When blinding storm gusts fret thy shore,  
And wild waves lash thy strand,  
Through spindrift swirl and tempest roar,  
We love thee, wind-swept land.  
We love thee, we love thee,  
We love thee, wind-swept land.

As loved our fathers, so we love,  
Where once they stood we stand.  
Their prayers we raise to Heaven above:  
God guard thee, Newfoundland!  
God guard thee, God guard thee,  
God guard thee, Newfoundland.

**BIRGITTA WALLACE**

Archaeologist emerita of Parks Canada, Birgitta Wallace has been a tireless advocate for Newfoundland and Labrador's rightful place in Viking history.

Ms. Wallace received her degree in Scandinavian archaeology and anthropology at the University of Uppsala in Sweden and worked on the excavations led by Drs. Anne Stine Ingstad and Helge Ingstad at L'Anse aux Meadows in 1964 and 1968. The Norwegian expedition proved beyond a doubt that the site was Norse and dated from the 11th century, leading to its designation as a National Historic Site of Canada.

Ms. Wallace later served as the Atlantic region's senior archaeologist at Parks Canada. Following retirement, she has continued researching, writing and lecturing on the Norse in North America, and on other research.

In 2015 Ms. Wallace was the first female archaeologist to receive the Smith-Wintemberg Award of the Canadian Archaeological Association for outstanding contributions to Canadian archaeology.

Birgitta Wallace will receive an honorary doctor of laws degree on Thursday, May 17, at the 3 p.m. session of Convocation.

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering professor Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick's Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial's registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial's Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John's Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial's Convocation. Fall Convocation was inaugurated in 1970

to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred Grenfell College, Memorial's Corner Brook campus (now Grenfell Campus).

The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university's authority and the presence of which signals the official opening of Convocation – and the marshals' staves were donated by Chancellor Lord Thomson in 1961. The original chancellor's chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John's firm of Clarmanis and Son Ltd.; the chairs bear the university's coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John's and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas

Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor's chair and the four companion chairs, which were completed in 2006. They also donated the two speaker's lecterns, which were completed in 2007. The Roberts' contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College ('31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, webcasting (by the university's Centre for Innovation in Teaching and Learning unit) which virtually brings the ceremony to the whole world via the university website at [www.mun.ca](http://www.mun.ca). Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and Alumni Affairs, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 90,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.

**WW100**

MEMORIAL UNIVERSITY

MEMORIAL UNIVERSITY COLLEGE was founded in 1925 as a living memorial to the men and women who lost their lives on active service during the First World War —“that in freedom of learning their cause and sacrifice might not be forgotten.” In recognition of this unique origin and to mark the 2014–19 centenary of the First World War, Memorial University has established the WW100 program.

The WW100 graphic features a stylized blue forget-me-not flower which was the traditional flower of remembrance in Newfoundland and Labrador as early as 1917. The centre of the forget-me-not is coloured claret, one of the university’s official colours which was selected to honour the Royal Newfoundland Regiment. The claret centre is also symbolic of the poppy which is a commemorative image in many countries. For more information on the WW100 program and the university’s activities, please visit [www.mun.ca/ww100](http://www.mun.ca/ww100).
