O CANADA

O Canada! Our home and native land!
True patriot love in all of us command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aieux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l’épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

Et ta valeur, de foi trempée
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvery voices tune thy rills,
We love thee smiling land.
We love thee, we love thee,
We love thee, smiling land.

When spreads thy cloak of shimm’ring white,
As Winter’s stern command,
Through shortened day and starlit night,
We love thee, frozen land.
We love thee, we love thee,
We love thee, frozen land.

When blinding storm gusts fret thy shore,
And wild waves lash thy strand,
Through spindrift swirl and tempest roar,
We love thee, wind-swept land.
We love thee, we love thee,
We love thee, wind-swept land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayer we raise to Heaven above:
God guard thee, Newfoundland!
God guard thee, God guard thee,
God guard thee, Newfoundland.

Shane O’Dea

Shane O’Dea was, for 50 years, a teacher of English at Memorial University. While his background is in Victorian literature, his research area became architectural history, which he taught in the Faculty of Engineering and Applied Science from 1975-89.

Given Memorial’s first Distinguished Teaching Award and made Canadian Professor of the Year in 1988, he was awarded a 3M Teaching Fellowship in 2002. His publications include two books of building histories and a number of articles in refereed journals. He also organized seven exhibitions and delivered over 40 papers on Newfoundland’s material history and architecture.

Since the early 1970s, Professor O’Dea has been a leader in preservation activity in Newfoundland and Labrador. As president of the Newfoundland Historic Trust (1973–75) and chair of the Community Planning Association (1977–79), he was one of a group responsible for the promotion and development of the St. John’s Neighbourhood Improvement and Heritage
Conservation Areas. From 1977–92, he was vice-chair of the city’s Heritage Advisory Committee. Later he served on the board of governors of Heritage Canada (chair 1996–98), the Historic Sites and Monuments Board of Canada (1985–92) and was also a founder, board member (1984–92) and chair (1989–92) of the Newfoundland Heritage Foundation.

In 1982, at the invitation of the renowned George Story, he became one of Memorial’s university orators. In 1995 he succeeded Dr. Story as the public orator and, over time, presented more than 100 candidates for honorary degrees at Memorial’s convocations. In 2005 he was inducted into the Order of Newfoundland and Labrador and, in 2016, into the Order of Canada.

For the extraordinary impact he has had on intellectual life within and beyond Memorial, and for the sustained work he has done to communicate about and advocate for the architectural and cultural heritage of this province, Shane O’Dea will receive the degree of doctor of laws, honoris causa.

Michael Alexander Blair Paterson

Born in Toronto in 1957, Michael Alexander Blair Paterson relocated to rural Ontario in 1977. He worked in general carpentry, sawmilling and woodworking before moving with his wife, Lorie, and their three children to Upper Amherst Cove on the Bonavista Peninsula in 1988. There, he built a workshop and established Paterson Woodworking, specializing in wooden furniture, architectural millwork and restoration of historic buildings.

For more than 25 years he employed full-time workers and often provided specialized training for other tradespeople. He taught heritage carpentry at the College of the North Atlantic Bonavista Campus for a couple of years, after the cod moratorium.

Mr. Paterson focused on his passion for Newfoundland and Labrador’s built heritage, traditions and related culture; it became a template for the evolution of his work. Through research, study of resource materials, workshops, close work with mentors and examination of artifacts, he acquired an appreciation for and understanding of early Newfoundland and Labrador construction techniques.

His shop produced convocation furniture for Memorial University; ceremonial furniture for the Nunatsiavut Government House of Assembly meeting chambers; commissions for Le Patrimoine de Saint-Pierre; assisted in the development and production of furniture for Shorefast Foundation, Fogo Island; and restored and reproduced church windows and architectural components from Hebron, Labrador, to Saint-Pierre et Miquelon and most areas of the island.

Mr. Paterson served on the board of the Craft Council of Newfoundland and Labrador and on the board of the Heritage Foundation of Newfoundland and Labrador.

He received a Southcott Award in 2015 and a Manning Award in 2010.

For being a true master of the vernacular style, for seeing the value in what many Newfoundlanders and Labradorians were no longer treasuring and for rejuvenating and reawakening local and rural cultures and economies, Michael Alexander Blair Paterson will receive the degree of doctor of laws, honoris causa.
Iris Gay Petten

Iris Gay Petten was born and raised in Port de Grave, Newfoundland and Labrador. As an entrepreneur, a corporate executive and a community volunteer, Ms. Petten has remained true to her roots in rural Newfoundland and its lifeblood, the fishery, while taking a special interest in promoting and supporting women in leadership positions.

Ms. Petten was the first member of her family to attend Memorial University, receiving a bachelor of arts and bachelor of vocational education. She began her career in the fishing industry with Fishery Products International as a financial analyst and then as a trawler department manager. In 1992, when the historic ground fishery collapsed, Ms. Petten suddenly found herself out of work along with thousands of others. Rather than leave the industry, she took a position with the Marine Institute delivering community-based vocational training programs.

By 1998, Ms. Petten was a founding shareholder and the vice-president of a processing company wholly owned by fish harvesters, Grand Atlantic Seafoods, which in 2000 was amalgamated into Ocean Choice International. She was a vice-president there until 2008; since then she has remained in a consultancy role.

She is currently a director of Canship Ugland Ltd. and is a member of the International Women’s Forum. Active as a community volunteer with a wide range of local and national organizations including Easter Seals, the Port De Grave Peninsula Heritage Society and the Canadian Armed Forces, Ms. Petten most recently served as a member of the Premier’s Economic Recovery Team.

From 2013–22 Ms. Petten served three terms as the chair of Memorial University’s Board of Regents.

For a career as an entrepreneur and executive navigating the rocky waters of the fishing industry, and for her steady hand at the helm of Memorial’s Board of Regents, Iris Gay Petten will receive the degree of doctor of laws, honoris causa.

Barbara Ann Sarah Stegemann

Barbara Ann Sarah Stegemann is a bestselling author, social business innovator and keynote speaker whose success on CBC Television’s *Dragon’s Den* and philosophies of “retail activism” have made her one of WXN’s Top 100 Most Powerful Women in Canada, among numerous other distinguished awards.

Ms. Stegemann’s entrepreneurial vision was formed after her best friend, a soldier, was severely wounded in Afghanistan. Understanding that supporting Afghanistan’s economy is key to building stability for its people, she created The 7 Virtues, a company that sources organic, fair trade essential oils from countries experiencing turmoil, such as Afghanistan, Haiti, the Middle East and Rwanda.

Despite addressing complex global matters in her talks, Ms. Stegemann uses humour to explain how individuals can use business for good and effect change, both at home and worlds away. Her film, *Perfume War*, has been named best feature documentary, audience choice, best humanitarian film and more at several film festivals.

She is also paving the way for women. She was the first woman from Atlantic Canada to secure a venture-capital deal on *Dragon’s Den* (and to be named the top game-changer in the history of the show for social enterprise). She is also the first woman honorary colonel in the history of 14 Wing Greenwood base, Royal Canadian Air Force.

Ms. Stegemann is the best-selling author of the empowerment book, *The 7 Virtues of a Philosopher Queen*. The book is in its eighth edition and has empowered women (and men) to launch companies, end bullying and run for office. Her beauty brand is the top selling “Clean at Sephora” perfume in 15 countries globally.

For being an inspiration to women, a transformational force for good in Canadian business and a leader in using business to effect positive global change, Barbara Ann Sarah Stegemann will receive the degree of doctor of laws, *honoris causa*.

HISTORY OF CONVOCATION

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering professor Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick’s Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial’s registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial’s Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John’s Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial’s Convocation. Fall Convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred Grenfell College, Memorial’s Corner Brook campus (now Grenfell Campus).

The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university’s authority and the presence of which signals the official opening of Convocation – and the marshals’ staves were donated by Chancellor Lord Thomson in 1961. The university marshal’s staff was made possible through a donation by Bert Riggs, university marshal, in 2021.

The original chancellor’s chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John’s firm of Clarmanis and Son Ltd.; the chairs bear the university’s coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John’s and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003.

The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor’s chair and the four companion chairs, which were completed in 2006. They also donated the two speaker’s lecterns, which were completed in 2007. The Roberts’ contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College (‘31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, webcasting (by the university’s Centre for Innovation in Teaching and Learning unit) which virtually brings the ceremony to the whole world via the university website at www.mun.ca. Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; Student Life, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and Alumni Engagement, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 600 honorary graduates, resulting in more than 100,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
