CONVOCATION

May, 2010

ST. JOHN'S

O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

*God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.*

O Canada! Terre de nos aïeux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

*Et ta valeur, de foi trempée
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.*

ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvern voices tune thy rills,
We love thee smiling land.
We love thee, we love thee,
We love thee, smiling land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayers we raise to Heaven above:
God guard thee, Newfoundland!
God guard thee, God guard thee,
God guard thee, Newfoundland.

HONORARY DEGREES

Candidates for honorary degrees may be nominated by any member of the community to the Senate Committee on Honorary Degrees and Ceremonial which, after due consideration, forwards its recommendations to Senate for approval.

To be considered for an honorary degree, candidates must normally have been benefactors of the university, or persons who have achieved eminence in learning or in the arts, or those who have otherwise distinguished themselves by outstanding public service.

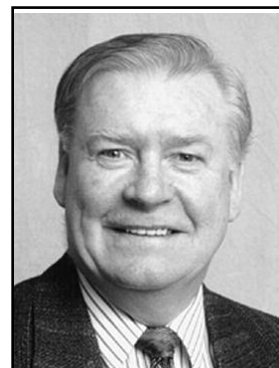

**REX ANTHONY**

While involved with many business enterprises in Newfoundland and Labrador, Rex Anthony has also made a major contribution to philanthropic endeavours here. Mr. Anthony graduated from Memorial University with a bachelor of commerce degree, worked for a year in the United States and returned home in 1969 to take a position with his family's insurance business. Along with his brothers Dave and Gerry, he acquired the Anthony Group of Companies in 1977.

As he re-developed his family's business into one dealing with financial services, tourism and real estate, he also served as a director of the Bristol Group, Fishery Products (both of which he chaired), Newtel and the St. John's Board of Trade. His business activities were matched by his efforts in the community sector, especially in arts where he served on the boards of the Art Gallery of Newfoundland and Labrador and its successor The Rooms, the Newfoundland Symphony Orchestra and the Council of Business and Arts in Canada.

He has been recognized for these efforts by being named Patron of the Arts by the Newfoundland and Labrador Arts Council and receiving awards from the Canadian Red Cross, the Business Hall of Fame, and the Canadian Diabetes Association. To Memorial's Faculty of Business Administration he has demonstrated a particular attachment, having chaired its advisory board and served as judge/adjudicator for many years of the school's case competition teams. He was honoured as Alumnus of the Year by both the Faculty of Business Administration and Memorial University.

For his longstanding involvement in business and his contributions to the community and to Memorial University, Mr. Anthony will receive an honorary doctor of laws degree.

**GEORGE FAULKNER**

George Faulkner is considered by many as the best hockey player ever to lace on a pair of skates in this province.

The highlight of Mr. Faulkner's 30-year amateur and professional hockey career came in 1966 when he starred for Canada at the World Hockey Championships in Ljubljana, Yugoslavia. Plucked out of Newfoundland senior hockey to join the nationals, he helped Canada win a bronze medal by scoring seven goals and three assists during the tournament.

A native of Bishop's Falls, he started playing hockey in the Grand Falls senior league at 15 and at 17 played for the Quebec City Citadels in the Quebec junior B league.

Mr. Faulkner returned home in 1952 to play with the Grand Falls Andcos, who won the Newfoundland Senior Hockey League Championship and Herder Memorial Trophy.

The following year he played with the Quebec Junior A Citadels to win the Quebec championship. He spent the next four years playing with the Quebec Professional Senior Hockey League.

In 1958 he joined the Conception Bay Ceebees and during the 10 years he was with the club, they won the provincial championship four times. Under Faulkner's leadership, the Ceebees were the first to represent Newfoundland in Canadian Allan Cup competition in 1967.

He was inducted into the Sport Newfoundland and Labrador Hall of Fame in 1982. In 2008, *The Telegram* named Mr. Faulkner number one in its list of Newfoundland and Labrador's greatest athletes.

To recognize his significant role in development of sport in Newfoundland and Labrador, Mr. Faulkner will be awarded an honorary doctor of laws degree.

**CHRISTOPHER HOUSE**

As one of Canada's most important figures in the world of dance, Christopher House has excelled in an art form that has not received as much attention in Newfoundland and Labrador as painting, music, theatre or fiction. He joined the Toronto Dance Theatre as a dancer in 1978 and became its choreographer three years later. Since 1994 he has served as the theatre's artistic director, transforming it into a company known internationally for its fresh, intelligent and provocative dance.

He has contributed over 60 works to the repertoire including *Glass Houses*, *Four Towers*, *Early Departures*, *Vena Cava*, *Nest* and *Sly Verb*. He has created choreographies for Portugal's Ballet Gulbenkian, the National Ballet of Canada, *Les Grands Ballets Canadiens* and Ballet British Columbia, and for soloists such as Peggy Baker and Guillaume Côté.

Timecode Break, a commission from the Canada Dance Festival and a co-production with the National Arts Centre and the Banff Centre for the Arts, was named best Canadian work by the *Globe and Mail*, and best new contemporary dance by the *Toronto Star* in 2006. It won three Dora Mavor Moore Awards, including Outstanding Choreography and Outstanding Production.

Mr. House teaches at the Toronto Dance Theatre, and has also given courses at Simon Fraser University, the Juilliard School in New York, the *Ateliers de danse moderne* in Montreal, Jacob's Pillow (Massachusetts), and the Academy of Dance in Rotterdam.

For his contributions to the world of dance and for bringing the province's name to the national and the international stage, Christopher House will be awarded an honorary doctor of letters.

**GLENNIS DAWN HOWSE**

Dawn Howse graduated from Memorial's medical school in 1978. Her first appointment was at Woody Point where she worked until 1981 when she moved into private practice in Corner Brook. Four years later she took a momentous decision; she would become a Salvation Army officer and put her medical abilities to use in Africa.

With training in tropical medicine from the Liverpool School of Tropical Medicine, England, she went to Howard Hospital in northern Zimbabwe in 1988. In 1992 she moved to Tshelanyemba, near the border with Botswana, to a hospital that had been upgraded from a nursing station.

While there serving the 45,000 people in the region, she was the only medical doctor in the 105-bed hospital, supported by a staff of 25 nurses.

In that role, Dr. Howse managed the care of an average of 50 in-patients daily, and was consulted on management of an average of 25 out-patients daily. The hospital saw some 350 new tuberculosis patients a year, as well as men and women diagnosed with HIV/AIDS. In addition, she was consulted by the region's midwives, doing about 40 ultrasounds per month, and performed about 20 surgical procedures per month.

She recently returned to this province after 20 years practicing in Zimbabwe. For her service to medicine and to Africa, Dr. Howse will be awarded an honorary doctor of laws degree.

**PAUL LESLIE POPE**

Paul Pope is one of the most important figures in the development of the film industry in Newfoundland and Labrador, an industry that now generates some \$25 million a year and has generated for this province numerous national and international awards.

He helped found and has been permanently involved with NIFCO, the Newfoundland Independent Filmmakers Co-operative, the incubator for virtually everything film-related that has been produced in this province.

Mr. Pope received a bachelor of applied arts in film and photography from Ryerson University in Toronto in 1980. He returned to the province and served as president of NIFCO from 1981-1993.

While he has been a mentor to a generation of filmmakers, he's also been constantly engaged in making movies in this province. He has produced dozens of documentaries, short films and feature length films, including *Secret Nation* (1992), *Extraordinary Visitor* (1998) and *Rare Birds* (the 2003 adaptation of Ed Riche's comic novel), the television miniseries *Above and Beyond* (2006) and the Gemini award-winning documentary *My Left Breast* (2002).

He continues on the board of NIFCO, serves on the board of the Resource Centre of the Arts and the Canadian Film and Television Production Association. In 2006 his contributions were recognized by the Arts Council of Newfoundland and Labrador with its Achievement Award.

For his central role in the development of Newfoundland film and his unceasing support of his colleagues in the industry, Mr. Pope will be awarded an honorary doctor of letters degree.

In June of 1950 Memorial University held its first convocation, which was a fairly simple affair. Led by Engineering Prof. Jack Facey (who would later perform the role of convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick's Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial's registrar for 30 years, served as a dress rehearsal for the most elaborate convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Prof. Facey as the marshal of convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial's convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John's Arts and Culture Centre, Memorial in effect acquired a new convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial's convocation. Fall convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar. In May 1992, 23 graduates received degrees in the first regular session of convocation held at Sir Wilfred Grenfell College,

Memorial's Corner Brook campus. The ceremonial trappings of convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university's authority and the presence of which signals the official opening of convocation – and the marshals' staves were donated by Chancellor Lord Thomson in 1961. The original chancellor's chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John's firm of Clarmans and Son Ltd.; the chairs bear the university's coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second convocation furniture suite so that a complete set would permanently reside at each of the St. John's and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor's chair and the four companion chairs, which were completed in 2006. They also donated the two speaker's lecterns, which were completed in 2007. The Roberts' contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College ('31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Sir Wilfred Grenfell College, Dr. Michael Parker, was commissioned to create a special suite of music for convocation ceremonies. The suite premiered at Spring Convocation 2009, and is dedicated to the late Ferriss Hodgett, vice-principal of the college, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, web-casting (by the university's Distance Education and Learning Technologies unit) which virtually brings the ceremony to the whole world via the university web site at www.mun.ca. Other university units that play a role in convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which co-ordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs and Development, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 65,000 alumni members worldwide. While our convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
