CONVOCATION

May 2014

ST. JOHN'S

O CANADA

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

O Canada! Terre de nos aïeux
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits!

Et ta valeur, de foi trempée
Protégera nos foyers et nos droits.
Protégera nos foyers et nos droits.

ODE TO NEWFOUNDLAND

When sun rays crown thy pine-clad hills,
And Summer spreads her hand,
When silvern voices tune thy rills,
We love thee smiling land.
We love thee, we love thee,
We love thee, smiling land.

When spreads thy cloak of shimm'ring white,
At Winter's stern command,
Through shortened day and starlit night,
We love thee, frozen land.
We love thee, we love thee,
We love thee, frozen land.

When blinding storm gusts fret thy shore,
And wild waves lash thy strand,
Through spindrift swirl and tempest roar,
We love thee, wind-swept land.
We love thee, we love thee,
We love thee, wind-swept land.

As loved our fathers, so we love,
Where once they stood we stand.
Their prayers we raise to Heaven above:
God guard thee, Newfoundland!
God guard thee, God guard thee,
God guard thee, Newfoundland.

HONORARY DEGREES

Candidates for honorary degrees may be nominated by any member of the community to the Senate Committee on Honorary Degrees and Ceremonial which, after due consideration, forwards its recommendations to Senate for approval.

To be considered for an honorary degree, candidates must normally have been benefactors of the university, or persons who have achieved eminence in learning or in the arts, or those who have otherwise distinguished themselves by outstanding public service.

**JOYCE HAYWARD
CHURCHILL**

A registered nurse, Joyce Churchill received her education at Memorial University, St. Clare's, the Grace and General Hospitals in St. John's and St. Michael's Hospital in Toronto.

Ms. Churchill's volunteer accomplishments include serving the Avalon Consolidated School Board Trustee from 1989-96, the Association of Registered Nurses of Newfoundland and Labrador from 1976-96 and the Town of Portugal Cove where she was elected mayor in 1985 and served a four-year term.

It was as a founding member in 1982 of the Autism Society of Newfoundland and Labrador that she made perhaps her most significant volunteer contribution.

She served as society president from 1997-2010 and was one of the driving forces behind the provincial government's decision to fund a provincial office for the Autism Society.

In 2005, after an extensive and time-consuming fundraising campaign led by Ms. Churchill, the Elaine Dobbin Centre for Autism in 2005 opened, providing programs and services including employment programs, adult Asperger's social programs, music therapy and occupational therapy, just to name a few.

For her long and effective service to the community, Joyce Churchill will receive an honorary doctor of laws degree.

**SUZANNE MARIE
(SHANNIE) DUFF**

Born in St. John's, Shannie Duff received an RN from the Royal Victoria Hospital School of Nursing in Montreal, Que., in 1957 and received a bachelor of arts (sociology) from Memorial University in 1975.

With a lifelong passion as a community volunteer and social activist, her volunteer activities involved affordable housing, heritage conservation, the arts, urban planning, the environment and health care.

As a businessperson, Ms. Duff helped found Avalon Cable television and served as president from 1975-82.

However, she is best known as a municipal politician. First elected in 1977, she successfully contested eight municipal elections, including the race for mayor in 1990 and the deputy mayor's contest in 2009.

She was also elected as the member of the House of Assembly for the district of St. John's East in 1989.

Ms. Duff served on the boards of the Federation of Canadian Municipalities and Municipalities Newfoundland and Labrador.

She was appointed to the Order of Canada in 2003 for outstanding community service.

For her remarkable record of public service and leadership, Shannie Duff will receive an honorary doctor of laws degree.

JOHN MAURICE GRAY

Dr. John Gray received his education in his hometown at the University of Nottingham, U.K., and at St. Bartholomew's Hospital Medical College, University of London, and University of Glasgow before arriving at the Grenfell Mission as a young intern where he served for the next 25 years.

Originally posted to Cartwright, Dr. Gray later moved to St. Anthony where he served as chief of medicine at the Curtis Memorial Hospital. He was appointed clinical associate professor of medicine at Memorial University following the opening of the medical school.

While in St. Anthony, Dr. Gray also initiated a residence project for seniors and today the long-term and continuing care facility in St. Anthony bears his name.

The family left Newfoundland in 1981 when Dr. Gray joined the staff of Dalhousie University where he established the Division of Geriatric Medicine.

In Nova Scotia he was a founding member of the Alzheimer Society, and served on the boards of the Gerontology Association of Nova Scotia, and the Canadian Geriatric Society, serving as vice-president.

In recognition of his dedication to medical education and service, Dr. John Gray will receive an honorary doctor of science degree.

**JOCELYN DENISE
WELLS GREENE**

Jocelyn Greene graduated from Memorial University with a bachelor of social work in 1975 and a master of social work in 1999. She has 30 years of experience working in the fields of corrections and mental health.

As executive director of Stella Burry Community Services, Ms. Greene has led the organization's mission to build inclusive communities and provide leadership in the community for the development of supportive housing. During her tenure as executive director, the organization has grown to provide support and assistance to a diverse client base through a myriad of services that include Emmanuel House, a residential program for individuals who have experienced abuse, violence, addictions, psychiatric difficulties and/or who have come into conflict with the law; Naomi Centre, an emergency shelter for young women who require safe and supportive housing; and Carew Lodge, a supportive housing project.

She is also a founding member of the Premier's Council on Social Development.

In 2007 she was awarded Memorial University's Distinguished Alumni Award for Outstanding Community Service.

For her exceptional contribution to community, Jocelyn Greene will receive an honorary doctor of laws degree.

KATHLEEN PRATT LEGROW

A social worker by training, Kathy LeGrow attended Dalhousie University and Memorial University.

She has a long and impressive history in business, as the director of INTRA LeGrow's Travel for a decade and, since 1997, the head of the K.A. Pratt Group.

However, it is in community service that Ms. LeGrow is perhaps best known. A long-time leader in the community and philanthropic organizations, she is the creator, chair and financier of the Pratt Foundation, which supports research and program development and implementation to ensure that children at risk have the opportunity to live resilient lives.

She has served the boards of the Health Care Corporation of St. John's, the St. John's International Airport Authority and the Premier's Council on Social Development.

But it was Ms. LeGrow's passion for education that thrust her into the provincial and national spotlight. As president of the Newfoundland and Labrador School Boards Association, she led the fight to reform the denominational education system.

She was named a member of the Order of Canada in 2005.

For her long service and profound impact on her province and country, Kathy LeGrow will be awarded an honorary doctor of laws degree.

In June of 1950 Memorial University held its first Convocation, which was a fairly simple affair. Led by Engineering Dr. Jack Facey (who would later perform the role of Convocation marshal for 46 years), the students and faculty moved from the Parade Street campus across to St. Patrick's Hall School for the conferring of undergraduate degrees. The university presented its first graduate degrees in May 1956 and its first honorary degree in May 1960.

The ceremony for that first honorary degree, presented to Monnie Mansfield, who had been Memorial's registrar for 30 years, served as a dress rehearsal for the most elaborate Convocation the university has ever held – that for the opening of the Elizabeth Avenue campus in October 1961. Overseeing the arrangements were Dr. Facey as the marshal of Convocation, responsible for the organization, direction and decorum of the occasion, and Dr. G.M. Story as the public orator, responsible for the delivery of the orations about the honorary graduands, a special feature of Memorial's Convocations. Nineteen honorary degrees were conferred on a galaxy of dignitaries local, national and international. That day the public orator and his deputy each had to deliver as many as 10 orations, each a concise but rhetorically lively account of the rationale for conferring the degree.

From 1961 to 1968 Convocation was held in the gymnasium of the Physical Education Building. With the opening of the St. John's Arts and Culture Centre, Memorial in effect acquired a new Convocation hall, which became the regular site of the ceremonies after 1970. Designed partially on the ideas of then-Premier Joseph Smallwood, the back of the stage with its descending staircase was developed specifically for Memorial's Convocation. Fall Convocation was inaugurated in 1970 to accommodate increasing numbers of graduates and to support the three-semester academic calendar.

In May 1992, 23 graduates received degrees in the first regular session of Convocation held at Sir Wilfred

Grenfell College, Memorial's Corner Brook campus (now Grenfell Campus). The ceremonial trappings of Convocation began to be developed in the early 1960s. Our academic robes are based on those of Oxford University. The silver mace – the symbol of the university's authority and the presence of which signals the official opening of Convocation – and the marshals' staves were donated by Chancellor Lord Thomson in 1961. The original chancellor's chair and a lectern were presented in 1963 by then-Lieutenant Governor Campbell Macpherson. Other complementary birch wood furniture pieces were subsequently commissioned from the St. John's firm of Clarmanis and Son Ltd.; the chairs bear the university's coat of arms, hand carved and painted bas-relief. The signing table, gift of the former marshal Dr. Jack Facey, was added in 1996.

In 2002 plans were made to create a second Convocation furniture suite so that a complete set would permanently reside at each of the St. John's and Corner Brook campuses. The design of the new suite, intended to reflect the culture and traditions of the province, was undertaken by retired Memorial University designer Ian Stewart; Paterson Woodworking of Upper Amherst Cove was commissioned to construct the set. The first piece completed in this suite, a black walnut Convocation table with a fish-splitting table motif, was presented by then-Lieutenant Governor Edward Roberts in 2003. The kneeler was donated in 2005 by honorary graduate Alan Perry. Hon. Dr. Roberts and his brother Douglas Roberts sponsored the signing table and bench, completed in 2005, as well as the chancellor's chair and the four companion chairs, which were completed in 2006. They also donated the two speaker's lecterns, which were completed in 2007. The Roberts' contributions to the suite of furniture were undertaken in memory of their father, Dr. Harry D. Roberts, a graduate of Memorial University College ('31), an honorary graduate of Memorial University and for many years a member of the Board of Regents.

In 2009, on the occasion of the 100th regular session of Convocation, composer and retired professor of classics at Grenfell Campus, Dr. Michael Parker, was commissioned to create a special suite of music for Convocation ceremonies. The suite premiered at Spring Convocation 2009 and is dedicated to the late Ferriss Hodgett, vice-principal of Grenfell Campus, 1975-1992.

The desire to share the ceremonies beyond the audience seated in the Convocation hall led to television coverage of the ceremonies beginning in the 1970s and, more recently, web-casting (by the university's Distance Education, Learning and Teaching Support unit) which virtually brings the ceremony to the whole world via the university web site at www.mun.ca. Other university units that play a role in Convocation include the Office of the Registrar and the School of Graduate Studies, which ensure that students have completed their programs and are certified for their degrees; the Division of Marketing and Communications, which coordinates the logistics of this special event and assists the graduands with preparations for the ceremony and the celebrations surrounding it; and the Office of Alumni Affairs and Development, which welcomes graduates into the Memorial University Alumni Association.

Convocation has been a day of pride for thousands of students and more than 500 honorary graduates, resulting in more than 80,000 alumni members worldwide. While our Convocation, as a ceremonial occasion, has grown from the practices and procedures of older universities, after more than half a century it has become a distinctive event for all who attend, be they distinguished guests or faculty, honorary graduates or our students who are, as they should be, the focus of the event.
