Lapidary Submission Form

SAMPLE ID	Std Thin	Cover slip	Pol. Thin	Fl.Inc	Oriented	Impreg.	Blue epoxy	Carb. Stain	Rock type & special instructions Eg. Heat sensitive, friable

Please place an x in the columns that apply for each sample. If all samples are being treated the same way and have no special instructions, a list of sample numbers and the lapidary request form will be sufficient. An excel spreadsheet with sample numbers and rock types is also acceptable.
