Type of sample and preparation required:

1. You agree to acknowledge CREATIT & SEM-MLA laboratory when publishing data collected within our facility, and to provide an electronic copy of any published manuscripts to lab staff.

2. If CREATIT/Node staff significantly contribute their intellectual experience and time into your project, we recommend staff be considered for co-authorship in accordance with the Tri-agency Framework: Responsible Conduct of Research, section 3.1 (2016). In such cases they will assist in writing/editing the manuscript and experimental section pertaining to data from CREATIT labs."
