

## Undergraduate Post-Secondary Education

A tentative list of post-secondary education course offerings is provided below. When planning your program of study, required courses and prerequisite requirements should be prioritized. This list is subject to change pending enrolment and availability of instructors.

**Please check this site regularly for updates. Also, check the MUN Calendar 2019-2020 for updates on program requirements.**

Candidates completing the Post-Secondary Instructor's Certificate awarded by the Provincial Government of Newfoundland and Labrador should check for updates at:
