MAPLE LEAF EDUCATIONAL SYSTEMS AND SCHOOLS

Join the Maple Leaf Team in 2017-18

An unparalleled professional and cultural experience as a teacher ...

... at our eight International High Schools (Gr 10–12) and three Foreign Nationals Schools (K–9) in the cities of Dalian, Wuhan, Tianjin, Chongqing, Zhenjiang, Shanghai, Luoyang and Yiwu.

Seeking Teachers in all Academic Areas For vacancies in the 2017-18 School Year

Both elementary and secondary teachers are encouraged to apply.

Teachers need NL certification and will be required to get BC teacher certification after hiring.

Maple Leaf Schools have been granted Certification status under the *British Columbia Global Education Program – Offshore Schools* and have the authority to offer educational programs at each school leading to the British Columbia Certificate of Graduation.

MLES is the first and largest BC Offshore School system in China. We provide academically motivated students an educational program to prepare them for entrance to western universities. They are primarily Chinese nationals for whom English is not their first language.

The MLES Teaching Advantage

Teach the BC curriculum in China	Competitive salary and benefits
Live and work with Canadian colleagues	International Premium Medical Plan
Personal and professional growth	Allowance for yearly return flights
Academically motivated students	Orientation and settling assistance
Rich cultural environment	Opportunities for travel and saving
