FACULTY OF EDUCATION

Teaching Term Appointments

The Faculty of Education invites applications from individuals interested in teaching term appointments in the areas of curriculum teaching learning studies [language and literacy, mathematics, music education, science, STEM, french, leadership, technology education, special education, counselling psychology], and teacher education, for the academic year 2019/2020 subject to budgetary restrictions and sufficient enrolments.

The minimum qualifications for teaching term appointments at the undergraduate level is a completed master's degree in the discipline and appropriate current teaching experience. At the graduate level, the minimum qualification is normally a completed doctoral degree in the discipline; though in some cases, a master's degree in the discipline, together with appropriate professional experience, may be an acceptable qualification.
