

Master of Education (Counselling Psychology)

Winter Semester 2024 Course Offerings

Information Updated:
November 29, 2023

Important Information:

- Students may find answers to frequently asked questions by visiting the [Graduate Student FAQs](#) posted on the Faculty of Education website.
- The [Memorial University Calendar 2023-2024](#), the Faculty of Education Office of Academic Programs, the [School of Graduate Studies](#), and the [Office of the Registrar](#) websites can usually answer most common inquiries and are excellent resources to keep for future reference.
- Program of Study: [Master of Education \(Counselling Psychology\)](#)
- Any questions/inquiries not addressed by visiting the links provided, should be directed to: muneduc@mun.ca

Instructions:

- **Wait-lists:** Permission to register in courses that have registrations exceeding the class enrolment cap while waitlists are active will not be granted. Please only register/waitlist for the graduate course(s) that are required, or associated with your Program of Study. Students should remain on waitlists to ensure the Faculty of Education is aware of the demand for a particular course/section.
- All graduate students must register or waitlist for courses through Memorial's Self-Service.
- Select the course number and name to view the course description.
- The table below is best viewed in landscape orientation if accessing this page via a mobile device.
