Faculty of Engineering and Applied Science

Engineering One

Per Course Instructors

The Faculty of Engineering and Applied Science invites applications from individuals interested in teaching the following undergraduate courses in the Fall 2025.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the FEAS regulations and the Memorial University Calendar.

| Course Number | Course Title | Course Schedule | Qualifications | Number of Sections | Campus |
|---------------|---|--------------------------|--|--------------------------------|------------|
| ENGI 4102 | Engineering Economics | 3 lecture hours per week | A degree in Engineering with background in engineering economics and project management. In person lecture available. P.Eng. required. This will be a hybrid course. | 1 section (1 credit course) | St. John's |
