MEMORIAL UNIVERSITY

Faculty of Engineering & Applied Science
Graduate Studies
Per Course Instructors

The Graduate Studies Office invites applications from individuals interested in teaching the following graduate courses in the Winter 2027 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Graduate Studies regulations and the Memorial University Calendar.

Course Number	Course Title	Course Schedule	Qualifications	Number of Sections	Campus
9100	Graduate Seminar	1 hour per week	M.Eng. preferably PhD. Previous experience in facilitating the graduate seminar will be an asset.	1/3 section	St. John's
9155	Technical Writing for Graduate Engineers	TBD	A minimum of bachelor's degree in education, linguistics, or related field. A diploma, certificate or degree with a practicum component in teaching English as a second language (TESL) from a recognized university. At least 5 years teaching English as a second language at the university level. Experience teaching writing in English for Academic Purposes and Special Purposes (programs, particularly in the field of engineering).	2	St. John's

Course Number	Course Title	Course Schedule	Qualifications	Number of Sections	Campus
