Faculty of Engineering and Applied Science Engineering One

Per Course Instructors

The Faculty of Engineering and Applied Science invites applications from individuals interested in teaching the following undergraduate courses in the **Fall 2026** semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the FEAS regulations and the Memorial University Calendar.

Course Number	Course Title	Course Schedule	Qualifications	Number of Sections	Campus
ENGI 1020	Introduction to Programming	3 lecture hours per week	Ph.D degree in engineering with background teaching: Python programming; expertise in interfacing sensors and programming environments via hardware such as Arduino. Experience in teaching early-year post-secondary students.	1 section (1 credits course)	St. John's

Please visit <https://www.mun.ca/engineering/> for program and [undergraduate](#) and graduate course description.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:

Dr. Bing Chen, Interim Dean
Faculty of Engineering and Applied Science
