Code of Conduct

Like Professional Engineers, engineering students are expected to behave in a professional manner at all times. Students are encouraged to conduct themselves in a manner consistent with the [PEG-NL Code of Ethics](#).

Memorial University has two sets of rules which deal with inappropriate behavior by students. The first set deals with [academic offences](#) such as cheating while the other set deals with [non-academic offences](#) such as disruptive behavior in class.

Both sets of rules can be found in the University Calendar under Regulations. It is strongly recommended that students read and follow these rules because the penalties can be severe, the severest being expulsion from the University.
