• 3,200 + international students from 110+ countries
• More than 100 degree programs
• 90,000 + alumni
• 5,000 + faculty and staff
• Multi-campus model
HISTORY

• Established as a living memorial to the Newfoundlanders who lost their lives during active service in the First and Second World Wars, honouring that great sacrifice through educating the people of this province.
• Memorial University College opened with five faculty members and 55 students on September 15, 1925.

• The college was elevated to university status in 1949.
