contract for the provision of the Deliverables.

TRADE AGREEMENTS:

Bidders should note that procurements falling within the scope of The Canadian Free Trade Agreement (CFTA) and the Atlantic Procurement Agreement are subject to those trade agreements but that the rights and obligations of the parties shall be governed by the specific terms of this ITT. The Atlantic Standard Terms and Conditions apply to this ITT and may be obtained from Public Procurement Agency, or by way of the internet at: www.ppa.gov.nl.ca.

THE DELIVERABLES

Zone 1 - Stove: \$0.0000
Zone 1A - Stove: \$0.0000

DELIVERY

Public Procurement Agency requires delivery so as to ensure the uninterrupted supply of the required bulk fuel products. Bidders must become familiar with the locations included as an attachment to this tender, along with the fuel type and special delivery instructions for each location.

Public Procurement Agency reserves the sole and absolute right to add and remove locations throughout the effective period of the agreement.

The preferred bidder(s) will be required to establish a delivery schedule for each location in awarded zones. Further, arrangements to meet unique requirements such as minimum fuel inventory levels and late night deliveries must also be made following the award.

The preferred bidder(s) must make satisfactory delivery arrangements with each location in its bid regarding delivery procedure, including the maintenance of a satisfactory reserve of fuel(s) at all times. Delivery of fuel(s) may occasionally be required over weekends.

The preferred bidder(s) under the contract must protect property so that no damage is done. In the event damage does occur, the supplier shall make good the same to the satisfaction of the end user. Should the supplier fail to make good the damage, the end user may have the damage repaired and deduct the cost of same from monies then or thereafter owing the supplier.

The preferred bidder(s) agree to no additional fees for emergency deliveries.

Preferred bidder(s) must not assign or sub-contract delivery of required products to third-parties without prior written consent from Public Procurement Agency.

seasonal and delivery mode requirements. These requirements are mandatory for any Supplier providing fuel in Labrador

DELIVERY LOCATIONS

A preliminary list of delivery locations has been provided in a separate file as an attachment to this tender.

NEWFOUNDLAND AND LABRADOR HOUSING CORPORATION

NLHC requirements for locations are purchased according to annual fuel subsidies; therefore, successful supplier(s) will be required to supply product based upon these fuel subsidies. Furnaces for these locations are of a household type.

REGULATORY CONSTRAINTS

Suppliers accept that all governing Federal, Provincial, and Municipal standards, rules, regulations, and guidelines in effect apply to the delivery of the product being supplied, including the provision of Material Safety Data Sheets and WHMIS updates, shall prevail during the effective period of this Agreement.

REPORTING - DEFECTIVE EQUIPMENT

Suppliers must report all faults, and/or defects to users equipment or installation thereof immediately upon observance of such incidents. Suppliers must also conduct a tank inspection prior to commencing delivery at any new sites that may be added during the length of this Agreement.

FUEL SPILLAGE

Any fuel spilled at the fuel fill or released through vent pipes by overfilling the tanks shall be cleaned at the suppliers' expense to the satisfaction of the Province.

FUEL SAMPLES

For all deliveries to the Department of Transportation and Works - Marine Service Division, the Supplier agrees to provide a fuel sample with each fuel filling. The sample bottles will be provided by the supplier and the sample will be taken shortly after the fueling procedure has commenced.

End users reserve the right to take samples and have independent analysis and tests made of any diesel and fuel oils delivered. Should the preferred bidder(s) supply any product of inferior quality, it will not be accepted, and shall be removed in a reasonable period of time by the contractor at his own expense. Should the proponent refuse to remove such material, the Province may take action to remove it, and charge any costs incurred to the proponent. Failure to meet quality standards may be cause for cancellation of the contract.
