VOLUME OF WORK AND EXCLUSIVITY OF CONTRACT:

Public Procurement Agency makes no guarantee as to the value or volume of the Deliverables. The Agreement with the preferred bidder, as defined by the Public Procurement Act, will be an exclusive contract for the provision of the Deliverables.

TRADE AGREEMENTS:

Bidders should note that procurements falling within the scope of The Canadian Free Trade Agreement (CFTA) and the Atlantic Procurement Agreement are subject to those trade agreements but that the rights and obligations of the parties shall be governed by the specific terms of this ITT. The Atlantic Standard Terms and Conditions apply to this ITT and may be obtained from Public Procurement Agency, or by way of the internet at: www.ppa.gov.nl.ca.

DISCLOSURE OF INFORMATION:

The financial value of a contract resulting from this procurement process will be publicly released as part of the award notification process. This procurement process is subject to the Access to Information and Protection of Privacy Act, 2015. The bidder agrees that any specific information in its bid that may qualify for an exemption from disclosure under subsection 39(1) of the Access to Information and Protection of Privacy Act, 2015 has been identified. If no specific information has been identified it is assumed that, in the opinion of the bidder, there is no specific information that qualifies for an exemption under subsection 39(1) of the Access to Information and Protection of Privacy Act.

THE DELIVERABLES:

Prices quoted shall be FOB participating government funded body.

This applies to shipments with a minimum order value of \$150.00 for the Island portion of the Province, a minimum order value of \$300.00 for Coastal Labrador and Happy Valley-Goose Bay, and a minimum order value of \$500.00 to Labrador City, Churchill Falls and Wabush.

Coastal Labrador shipments shall be made during regular coastal shipping season; however, shipments to Happy Valley-Goose Bay shall not be limited to the coastal shipping season due to the accessibility of this area via the Trans Labrador Highway. Should a user in Happy Valley-Goose Bay request shipment via the Trans Labrador Highway, the minimum order value for FOB destination shall be \$500.00.

For shipments that are below the minimum order value, "delivery charges may apply". The end user shall obtain shipping charges from the vendor in the form of a quote, which then should be clearly indicated on the purchase order. In the absence of a quote for shipping, the vendor shall obtain approval from the end user for shipping charges prior to shipment.

Deliveries shall be made in accordance with dates and delivery location stated on participating organization's Purchase Order.

Deliveries will only be accepted during the regular business hours of the organization.

Orders shall be delivered in full. Notwithstanding, should a backorder occur for any item(s), the supplier shall be responsible for delivering that item(s) at no

additional cost to the end user. The end user shall not be required to reorder the backordered item and incur a delivery charge.

All shipments shall be properly packed to avoid breakage or spoilage.

All shipments/deliveries shall state Purchase Order number.

All chemical products shall be supplied in factory sealed containers.

The supplier shall have deliveries completed to participants on the island portion of the Province within seven (7) days upon receipt of each purchase order.

Deliveries shall be completed to Labrador within twenty one (21) days upon receipt of each purchase order.

Delivery performance shall be monitored for the life of the contract. Public Procurement Agency reserves the right to cancel this award if delinquent deliveries are experienced.

When shipping, suppliers are required to supply up-to-date Material Safety Data Sheets - applicable to anything regulated under transportation of dangerous goods, or the shipment cannot be accepted.

Garbage Bags are to be:

- Ecologo™ Certified CCD-126/UL-126
- Linear Low-Density Polyethylene (LLDPE) Resin Bags
- Flat or Gusset Seal, Single Bag
- Flat, one at a time dispensing
- Rolls not acceptable
- Twist Ties not acceptable
- Open on one end only
- Side Sealed or Bottom Sealed Bags are acceptable
- All Cases have Labels clearly identifying Size, Count, Colour and Strength

PERFORMANCE TERMS AND CONDITIONS

CANCELLATION OF CONTRACT:

Any contract issued as a result of this ITT shall be subject to cancellation by either party within 90 days of written notification. Payment of goods on order or in process of being delivered will be honored.

WARRANTY:

The vendor guarantees all equipment, materials, workmanship, and labourer's liens. The vendor warrants title to commodities supplied and warrants them free from defects and/or imperfections, and shall indemnify and hold the purchaser harmless against any or all suits, claims, demands and/or expenses, patent, litigation infringement, or any claim by third parties in or to the commodities mentioned and supplied by him.

RETURNS:

In the event of a defective product, any participating organization reserves the right to return it to the supplier, for full credit, notwithstanding intermediate

payment by the purchaser. All delivery and return costs will be the responsibility of the supplier. Claims for either shortages or damaged merchandise shall be submitted to vendor within thirty days of invoice.

SUBSTITUTIONS:

During the term of a contract, no product shall be substituted for another without agreement from Public Procurement Agency. Upon agreement by all parties items may be substituted by similar products of equal size, cost and quality. All requests to substitute shall be accompanied by full specification, literature or catalogues.

REPORTING:

The successful supplier shall provide quarterly a usage reports regarding the individual product usage for the items listed on this ITT, in a format and time frame determined by the Public Procurement Agency (ie: items procured by entities, product usage, delivery, order-fill rates, backorders). The successful bidder may be requested to provide usage reports on related items not listed on this document for future reference. This data must also include all purchases paid for by a government procurement card.

ADDITIONAL TERMS AND CONDITIONS

Each public body will be responsible for issuing its own purchase order(s) and is to be invoiced accordingly. Contact email addresses will be provided to the successful bidder.

Any government department or public body reserves the right to utilize a procurement card in lieu of a purchase order for all or select acquisitions. Vendors shall not refuse nor charge additional premiums or fees when procurement cards are tendered for payment.

TRAINING:

The successful bidder must provide product training for all end users to ensure safe, effective and proper use of all chemical products, if requested.

LABELS:

Ready-to-use (RTU) bottle labels, WHMIS compliant, shall be available for concentrated products listed on this ITT. Labels shall be available upon request and acquired outside of any contract resulting from this ITT at a cost that is not in excess of that charged to their most favored customer.

QUANTITY:

The quantities listed herein are projected usages for the contract period and are estimates made in good faith.

The contract shall be limited to the actual quantities ordered and delivered during the contract period and are not a guarantee of the quantities that may be ordered.

The successful supplier shall maintain adequate stock to cover requirements where

requested.

The suppliers shall provide only the quantity of an item ordered by the end user, regardless of the manufacturer/supplier's standard packaging.

PRICES:

Prices are exclusive of HST. Applicable taxes shall be applied at the invoicing stage and are to be listed separately on each purchase invoice. HST number for Government Departments is 107442683.

Prices quoted shall be in Canadian funds.

Prices quoted shall be FOB destination with all transportation charges prepaid by the contractor for all acquisitions equal to or above minimum order value.

Prices quoted shall be considered net and inclusive of all discounts.

Vendor hereby certifies that the prices tendered are not in excess of those charged anyone else, including their most favored customer.

--- PRICING ADJUSTMENT MECHANISM ---

Prices quoted shall remain unchanged for the first 12 months of the contract.

If the renewal option is exercised, for year two (2), year three (3) or portion thereof, Public Procurement Agency will accept, for consideration, a written submission of a price increase beyond the vendor's control due to an increase affecting the price of Chemical and Cleaning Supplies (including Garbage Bags).

Supporting documentation will be provided by the vendor justifying the request for a price increase.

The increase shall not exceed that of the Consumer Price Index (CPI) All-Items. Price adjustment requests shall be submitted 30 days prior to date of renewal.

The following table shall be used for the completion of the annual pricing adjustment:

Consumer Price Index, by province (monthly) - (Newfoundland and Labrador)

INVOICING:

Invoices shall be submitted directly to each participating organization who obtain the goods.

It is to be understood that payment of invoices will be the responsibility of the ordering government funded body and further understood that the successful supplier (s) will hold the Public Procurement Agency harmless respecting any loss, damage and non-payment resulting from or relating to any order placed with the supplier against any contract resulting from this Invitation to Tender.

The supplier shall ensure that the company name, address and contact details (phone number, fax number) provided on the tender response shall also be used on all invoicing presented for payment. (I.e. The company name and address on monthly invoices submitted for payment shall be the same as the company name and address submitted on tender bid).

GOVERNMENT DEPARTMENTS ONLY:

The Government of Newfoundland and Labrador has expanded its financial management system and streamlined the accounts payable process. Invoices and credit memos that were traditionally sent to individual departments will be emailed or mailed to one central government location, the Department of Finance, Corporate Financial Services Division (CFS). Please ensure invoices clearly indicate Purchase Order Number.

To receive payment on a timely basis, please mail or email invoices to:

DIRECT DEPOSIT FOR PAYMENT

Government Departments Only:

The preferred method of payment to the successful bidder/proponent for any goods or services provided as a result of this procurement opportunity will be direct deposit (other cost effective payment methods may be used for certain international suppliers where banking technologies prevent the use of direct deposit).

As of December 31, 2016, all payments issued to businesses and individuals shall be direct deposit. The successful bidder is encouraged to register to receive payments by direct deposit if not currently enrolled with the Province.

Enrolment forms can be obtained from the Department of Finance web site at:

<http://www.releases.gov.nl.ca/releases/2014/fin/0808n02.aspx>

To enroll for direct deposit, please visit www.gov.nl.ca/fin or call 1-888-729-6199.
