FACULTY OF HUMANITIES AND SOCIAL SCIENCES

Department of Geography

Per-Course Appointment

The Department of Geography invites applications from individuals interested in teaching the following undergraduate course in the Fall 2023 semester (September 2023 - December 2023).

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Geography regulations and the Memorial University Calendar.

Course Title: Introduction to Geographic Information Sciences

Course Schedule: Slot 17 (Tuesday and Thursday, 9:00 – 10:15am) In Person

Campus Location: St. John's

Course Description: GEOG 2195 is an introduction to the fields of cartography, remote sensing, and geographic information systems (GIS). Geographic information collection, representation and analysis methods are the topics for the course. An emphasis is given to applications of maps and satellite images. All sections of this course follow Quantitative Reasoning Course Guidelines available at www.mun.ca/hss/qr.

For further information regarding this course please visit www.mun.ca/geography

Qualifications: Teaching experience and a post graduate degree in Geography. Experience with GIS, Cartography, and/or Remote Sensing is preferable.

To apply for this position:

Please submit a letter of application, curriculum vitae and the names of referees, electronically or in writing to:

Dr. Arn Keeling
