

Student Program Facilitator (Minecraft Education After-School Program)

Location: Grenfell Campus, Memorial University

Position Type: Part-Time, Contract (University Student Position)

Duration: 8-10 weeks

Hours: Approximately 3-5 hours per week, including after-school program hours and preparation time

About the Position

We are seeking an enthusiastic and creative university student to develop, implement, and facilitate a Minecraft Education After-School Program for elementary and junior high school students at Grenfell Campus.

This exciting opportunity is ideal for a student who enjoys working with youth, has experience with Minecraft, and is interested in STEM education, digital learning, creativity, and community engagement.

Responsibilities

- Design and prepare age-appropriate Minecraft Education activities and lesson plans.
- Facilitate weekly after-school program sessions for elementary and junior high school participants.
- Teach students how to use Minecraft Education tools and features.
- Lead collaborative projects, challenges, and themed learning activities.
- Maintain a positive, inclusive, and engaging learning environment.
- Monitor participant engagement and provide support to students as needed.
- Communicate with program coordinators regarding program planning and progress.
- Assist with program setup, equipment management, and session cleanup.
- Document activities and contribute to program evaluation and reporting.

Qualifications

- Strong knowledge of Minecraft and an interest in Minecraft Education.
- Experience working with children or youth through camps, tutoring, coaching, mentoring, or volunteer activities.
- Excellent communication and interpersonal skills.
- Ability to work independently and take initiative.
- Strong organizational and time-management skills.
- Reliable and enthusiastic with a passion for learning and technology.

How to Apply

Please send a resume as well as a brief cover letter outlining your experience with Minecraft, working with youth, and interest in the position to gcextendedlearning@mun.ca.

Deadline to apply: September 25, 2026
