SECTION TWO – POST ADMISSION

Registration Procedures

Registration for the fall semester begins in early August; for the winter semester, it begins in early December; and for the spring semester, in early April. Keep yourself informed of important dates by using the [2026-2027 University Calendar | Memorial University of Newfoundland](#).

Registration is done online through [Memorial Self Service](#). Please ensure the graduate courses you register for are reflected on the Program of Study form that was sent to you at time of admission. All graduate students must register for 9000 upon entry to their respective program, as this registration identifies you as a graduate student. This registration will automatically occur for all subsequent semesters. If you are granted a leave of absence, you will need to register for 9000 upon your return.

More information pertaining to registration procedures may be found online: [Registration procedures and course offerings | School of Graduate Studies | Memorial University of Newfoundland](#).

Payment of Fees

When you accepted your offer of admission to your program, you selected a payment plan based on number of semesters of study. This plan remains in effect for the duration of the program and may not be changed after the first semester. If you complete your program in fewer semesters than originally selected, the remaining semester fees must be paid. Students who do not complete their program in the expected number of semesters will be required to pay a continuance fee for each additional semester. All graduate students must be registered for every semester during your program, and must pay fees for each semester, unless a leave of absence has been granted.

Fees are due once a student registers. These fees may be paid by cash, debit card, online banking or cheque to the Bursar's Office (AS279) or by MasterCard through [Memorial Self Service](#). There is a convenience fee of 2.50% when paying by credit card (Subject to change by Moneris).

More details on payment options can be found at [About | Grenfell Campus | Memorial University of Newfoundland](#).

Payroll Deduction

Graduate students who wish to have their tuition paid from their bi-weekly financial support can request this service by completing the [Payroll Deductions Fall 2026 Form](#) between August 5, 2026 and September 3, 2026. New Students for Fall 2026 semester: Please complete the form once all requirements have been met, and no later than September 9.

Please email gradadmin@mun.ca if you are making a late request and they can work with you on setting up Manual deductions. Please note you need to apply for payroll deductions every semester.

You can find more details on payroll deduction at [Payroll deduction | School of Graduate Studies | Memorial University of Newfoundland](#).

Dropping and Adding courses

A “Drop and Add” period at the start of each semester gives you time to change your course schedule without academic penalties. Most changes can be done through Memorial Self- Service. In some instances, you may have to use a [Course Change Form](#). Students wishing to register for program courses outside their academic unit (including undergraduate courses) must do so with a Course Change Form. A Change of Program Form must be completed if any such courses are to become part of your graduate program. Please see the [2026-2027 University Calendar | Memorial University of Newfoundland](#) for specific course change regulations and deadlines.

Funding Your Education

Financial support will usually be offered at time of admission to eligible students. Students must be registered as full time and must meet defined academic standards in order to receive an SGS Fellowship. Guidelines for awarding of SGS Fellowships and Graduate Student Support are available on the webpage, [Funding and employment | School of Graduate Studies | Memorial University of Newfoundland](#).

According to the School of Graduate Studies, Memorial University Newfoundland, a full-time graduate student may not commit more than 24 hours a week working time, including teaching assistant or research assistant duties, to matters other than the degree program. (Regulation 2.3.8).

Graduate Assistantships (GAs)

If you have received graduate assistantship funding as part of your internal funding package, you are required to work as a Research Assistant (RA) and/or a Teaching Assistant (TA) during the academic year. Students must have a Social Insurance Number (SIN) before receiving GA funding.

Grenfell Campus graduate students who receive GAs become members of the Teaching Assistants’ Union of Memorial University of Newfoundland (TAUMUN). Students will receive a TAUMUN letter from the Graduate Programs Administrator, Graduate Studies upon awarding of the assistantship. As per Article 12.17 of the [TAUMUN Collective Agreement for 2023-2026](#), Graduate Assistants must be notified of their appointment in writing and a Graduate Assistant can only be required to perform duties and responsibilities as outlined in their letter of appointment. Graduate student support will be paid bi-weekly.

Responsibilities of Supervisors and Graduate Students

The fundamental principle underlying this statement of responsibilities between students and faculty is that there must be mutual respect governed by high standards of professional integrity and ethics. These written guidelines are meant to identify, at a high level, guiding principles that can apply to all graduate supervisors and students to help both supervisors and students create and maintain a successful relationship, but are not meant to replace student- supervisor communication.

Responsibilities for Graduate Supervisors and Graduate Students, can be found here: [Resources for Graduate Supervisors](#) | [School of Graduate Studies](#) | [Memorial University of Newfoundland \(mun.ca\)](#).

Leave of Absence

To receive a Leave of Absence, a completed [Request for Leave of Absence](#) form should be submitted before the registration deadline for that semester and must be approved by the School of Graduate Studies. Students should apply for funding a minimum of four weeks before the conference begins, unless otherwise stated in this policy. Conference and travel assistance is normally available after the conference has concluded, but an advance can be arranged, if necessary. Once your conference is completed, complete the Travel Claim Form, solicit all required signatures, and submit with necessary receipts and the original Request for Travel Assistance Form to the School of Graduate Studies. Conference and travel funding is not guaranteed and is contingent upon the availability of funds and the submission of a complete application package. Please refer to [MUN Travel Policy](#) for details on the University's travel policy and for more information on other funding sources, please contact SGS, TAUMUN, or the appropriate Faculty.

For an additional fee, students may extend the coverage to their partners, including same sex partners, and their dependent children. Eligible students may opt out of the GSU health and/or dental plans on condition that proof of alternate comparable coverage is provided and the necessary opt-out forms are completed by the deadline. For more information about the GSU Health and Dental plans go to: [Health & Dental — GSU MUN site](#).

Registered International students are automatically enrolled in the Foreign Health Insurance plan provided by MUN's ISA office and full-time International graduate students are automatically enrolled in the Graduate Student Union (GSU) dental plan. Eligibility requirements have to be met in order to opt out of the Foreign Health Insurance and/or transfer into one of the student union plans. These requirements can be found online: [Foreign Health Insurance | Internationalization Office | Memorial University of Newfoundland](#).

If you meet the eligibility requirements to opt out of the Foreign Health Insurance plan, visit Student Services before the end of the second week of classes to complete a waiver and provide necessary proof. Students who have completed an opt-out form in past semesters will be automatically exempt in following semesters of the respective academic year. Students are required to opt-out at the start of each academic year.

Newfoundland and Labrador Medical Care Plan (MCP)

(Mac Lab), and AS3005 (GIS Lab), and in the student atrium of the Arts and Science extension. The computer labs are open from 8:00am to 12:00am, 7 days a week throughout the year (including holidays).

*Labs are utilized for classes but will be available to students during non-class hours.

Student ID Card

MUN is updating the way students are able to procure an ID Card. Information on the final process to get your ID Card will follow soon. However, if you have any queries, please email campuscard@mun.ca.

Parking Permit

1. Students must complete a Parking Application form to be considered in the lottery for a Parking Permit for students. The relevant forms for parking can be found on the [Campus Enforcement & Patrol](#) page.
- 2.*Please note there is a residence application for students living on campus and student application for those living off campus. The relevant form can be found on the [Campus Enforcement & Patrol](#) page.
3. Students must select the Parking Application Form for the relevant Parking Permit. Only those Parking Lots identified on the Parking Application will be entered into the lottery process.

4. Parking permits will be distributed using a lottery process based on available parking spaces at the time of the lottery. All applications are due by mid-September (actual date can be found on [Campus Enforcement & Patrol](#)) in order to be entered in the student lottery draw. Applications can be dropped off at office AS280 or emailed to gcparking@mun.ca.

5. Students do not need to be in attendance during the lottery process. Successful applicants will be e-mailed following the lottery process based on the contact information provided on the Parking Application form. It will be the student's responsibility to be kept informed of the results of the lottery process.

6. Following the lottery, students will have three business days (payment deadline) to pay for the Parking Permit in the Bookstore. Payments for a Parking Permit must be made in full by the payment deadline. Partial Payments will not be accepted. Parking Permits are subject to HST.

7. A further lottery process may be undertaken for all unclaimed Parking Permits following the payment deadline.

All parking on campus shall comply with the Grenfell Campus Parking Regulations and the Overnight Parking Procedures that are in effect between November 1st and April 30th annually to allow for snow removal. Because parking spaces are limited on campus, there is no guarantee of finding an available parking space. Parking permits increase the likelihood of finding an available parking space, because the number of permits issued is limited for those parking lots that require a permit.

Limited parking is available without a permit in Lot P4 at no charge. To view parking map, please click link: [Grenfell Parking Map 2026-2027](#).

Equity, Diversity and Inclusion (EDI)

Our graduate programs acknowledge the importance of equity, diversity and inclusion (EDI) in graduate education – that different backgrounds and views are critical to excellence in personal development, academic achievement, and societal change. Diversity is represented in many ways, including indigeneity, socioeconomic status, race, ethnicity, religion, gender, gender identity, sexual orientation, nationality, ability, ways of learning, or life experience. SGS has a special responsibility to lead and foster equity initiatives given the breadth of diversity in graduate programs and the importance of inclusion in scholarship. We are committed to eliminating barriers and fostering opportunities to students and scholars from all backgrounds.

SGS's commitment to graduate students from diverse backgrounds and lived experiences extends across the lifecycle. By creating and making more inclusive our processes,

resources, and services, the School will improve the recruitment and admission, retention and experience, and completion rates and outcomes of all graduate students.

SGS Diversity Dialogue: Lunch and Learn Series

The Diversity committee will host a [Lunch & Learn](#) session once a month, as part of Memorial's EDI initiative. Each session will consist of a panel discussion with audience participation. For more information and to register for a session, please visit the [Equity, Diversity and Inclusion \(EDI\) Lunch & Learn web page](#).

Holistic Review in Graduate Admissions

SGS in partnership with Information Technology Services is working on a technology-enabled method of assessing a broad range of graduate applicant characteristics to make graduate programs more accessible to persons of all backgrounds. This project is funded through the [Collaborative Applied Research in Economics \(CARE\)](#) initiative.

Integrity and Research Ethics

Memorial University is committed to excellence in scholarly activities. To this end, Memorial provides resources and support by which all members of our academic community—students, faculty and staff—can become educated regarding ethical conduct in scholarly endeavors. Whether you are in a course-based program conducting library research or in a research-based program undertaking experiments in a lab, or interviewing participants in the field, there are ethical standards and related guidelines and policies to which you must adhere.

The [Integrity and Research Ethics page](#) provides information and resources related to ownership and acknowledgement, data, and the potential impact of research on humans, animals, and the environment. It contains a selection of important documents set out by the School of Graduate Studies, Memorial University and the Tri-Agency*.

All Research Proposals directly involving human subjects must receive Ethics Approval from the Research Ethics Board, Grenfell Campus prior to commencement of research. All forms are available online, [Integrity and Research Ethics page](#). If you have any questions regarding Research Ethics, please contact: Lan Ma Research Office AS320, Tel: 709-639-7596, Email: f99lm@mun.ca.
