

Contact banks and credit card companies before heading to the UK.

4

DIGIT

Be sure to only use a pin for debit and credit cards.

Remember: the British use pounds sterling for currency.

Residents are provided with all the linens and housewares in a typical home.

UK weather is unpredictable. Come prepared.

The Time Difference in the UK is

3.5
HOURS

ahead of Newfoundland and

2.5
HOURS

ahead in March and October.

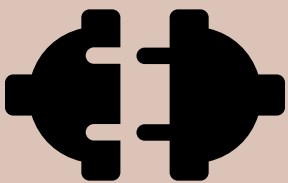

Check with a professor or co-ordinator to find out if you require a Visa and get an International Student Card.

Everything you need to know about

HARLOW, WELCOME.

Memorial University's
Harlow Campus

Adapters are needed for electrical items. Bring a British adapter for Harlow and if planning travel in the EU, bring a separate European adapter.

Wireless Internet access is available throughout the campus.

Paper is a different size in the UK, and has two or four holes. Consequently, all ring binders have two or four holes.

Taxis are difficult to get, so pre-book at reception and remember the British drive on the left.
