Cannabis Destruction Record

Please complete all applicable sections of this form to document the final destruction and disposal of cannabis or cannabis products. Two (2) authorized witnesses are required to verify the destruction of all cannabis/products. Maintain this form in the lab's cannabis safety binder.

Authorized destruction methods

☐ **Plant material** – ground and mixed with at least equal parts soil

☐ **Other** (e.g. oils, extracts, etc.) – mixed with liquid soap and absorbed with solid absorbent (e.g. kitty litter).

SOP used for destruction (briefly describe):

Destruction

Description of samples destroyed, including brand name, if applicable:

Location (address) where cannabis was destroyed:

Samples destroyed:

Sample identification number	Net weight/volume prior to destruction

Witness

I, the undersigned, verify that I am an employee of Memorial University and that I have witnessed the destruction of the cannabis described above as per the method described above.
