MEMORIAL HAS A RESPIRATOR PROGRAM

BEFORE YOU WEAR A RESPIRATOR

- Check that you have the right respirator for the job.
- Complete Memorial's respirator training.
- Pass a respirator fit-test even for a disposable respirator.
- Wear your respirator when required and follow safe work procedures.
- Seal-check your respirator each time you put it on.
- Make sure nothing interferes with the seal, such as facial hair, glasses or earmuffs.
- Know how to inspect, wear, clean, maintain, store and replace your respirator.
