Program Notes

- A Recreation degree, comprised of 120 credit hours, is designed to provide students with the opportunity to develop professional competencies in recreation and leisure service management. The optional therapeutic recreation pathway provides professional preparation for the practice of therapeutic recreation.

- The 120 credit hours required for a Bachelor of Recreation Degree are:
 - 24 credit hours including English 1090 or 1000; 3 additional credit hours a CRW-designated course <http://www.mun.ca/regoff/calendar/sectionNo=ARTS-0109#ARTS-8194>; Sociology 1000; 3 credit hours in Sociology at the 2000 level, Psychology 1000 and 1001; Statistics 2500 or equivalent, and Geography 1050;

 - 42 credit hours in complementary study courses. 15 to 18 credit hours must be selected from HKR courses other than the HKR courses identified as required HKR courses. In total, 30 of these credit hours must be at the 2000 level or above.

 - 54 credit hours in HKR courses: HKR 2000, 2100, 2300, 2500, 2505, 2515, 2545, 2585, 3100, 3340, 3400, 3515, 3535, 3555, 3575/3785, 4485, 4575/4685, and 4600.

- A minor is optional in the Bachelor of Recreation program. In completing the minor, students must follow the minor program regulations listed under the appropriate Faculty or School.

- Students interested in pursuing a therapeutic recreation pathway shall normally complete the following: Psychology 3640; HKR 2310, 2320, and one of 3485 or 3685.

- Students admitted part time should consult with the School's Academic Program Officer regarding course sequence.

- Students pursuing Honours are required to complete HKR 4605 and HKR 4610 and should consult the University Calendar for Honours requirements. Students not pursuing Honours are required to complete 6 credit hours in HKR complementary study courses (2000 level or above) among the 15 HKR complementary study elective courses.
