YOU DID IT, GRADUATES

Celebrating International Graduates
and Community Belonging in
Newfoundland and Labrador

DATE	Friday, October 16, 2026
TIME	1:00 – 4:00 PM · Check-in opens at 1:00
PLACE	Social Room, Internationalization Office

Congratulations from all of us.

Congratulations, graduates!

You crossed oceans and time zones, braved more than a few Newfoundland winters, and made a home far from home, all while earning your degree. That takes courage, resilience and a whole lot of heart.

It has been a privilege to walk alongside you. Today is about celebrating everything you've achieved, and the people who cheered you on along the way.

Wherever your next chapter takes you, here in Newfoundland and Labrador or anywhere in the world, you will always be part of the Memorial family. Our door stays open.

With pride and warm wishes,

The Internationalization Office

Stay in touch with us

Graduation isn't goodbye. You're invited to join the Memorial University Alumni Association to stay connected with classmates, hear about alumni events and career opportunities, and keep Memorial close wherever you go. We'd love to hear where life takes you.

Our story, in your photos

Every photo in this exhibition was submitted by students. They're the real moments: first winters, late nights studying with friends, potlucks that ran too long, and the people who became family away from home.

Want your photo on screen? Email it to nclark@mun.ca by **October 14** with your name, your program and, if you like, a line about what it means to you.

HOW TO ENJOY IT

- 1 Catch it on screen** from 1:00 to 2:00 PM and again from 3:30 to 4:00 PM.
- 2 Take your time.** Look for yourself, your friends and the places you've come to love.
- 3 Start a conversation.** Ask the people around you about the moments behind their photos.
