

Conference Grant Deadline Date

March 1

The Institute of Social and Economic Research offers conference grants (up to \$5,000.00) in support of organizing and hosting scholarly conferences that are within the Institute's mandate. A conference and its organizers can be affiliated with Memorial University or other institutions. However, priority is given to members of the Faculty of Humanities and Social Sciences. ISER defines a Memorial HSS applicant as "full-time and retired tenured and tenure-stream faculty members from Memorial's Faculty of Humanities and Social Sciences (HSS); instructors who currently hold a contractual or a per course appointment with HSS; students currently enrolled in HSS programs seeking funding for projects to be completed for these programs; staff working within HSS units; and faculty who are adjuncts or are cross- or joint-appointed to HSS units."

Applications for conference grants together with other grant applications are adjudicated by an Awards Panel. **This fund cannot be used for applicant travel to conferences - it is for conference hosting only.**

ISER Mandate: The purpose of the Institute of Social and Economic Research is to undertake, sponsor and publish social and economic research within such disciplines and in such parts of the world as are deemed of relevance to Newfoundland and Labrador and the broader Atlantic world.

This application must be completed by the person organizing the conference or a person delegated by the conference's organizing committee.

Note: Completed applications must be submitted via email by the deadline to iser@mun.ca.

****Note: Capital expenditures and applicant conference travel are not permitted. Research Assistants and technical services are only eligible for grants to Memorial faculty, postdoctoral fellows, and staff that will be administered by the University. Memorial University's Travel Policy and Schedule of Reimbursable Expenses can be found at:
