Memorial is a member of a consortium of Canadian universities offering students the opportunity to spend a full academic year in Nice in the South of France. This program offers an exceptional opportunity to enjoy a year of immersion and study in France and to deepen their knowledge and appreciation of French culture and civilization.

Memorial students meet other students from other Canadian universities, currently, the Universities of Western Ontario, Guelph and Windsor.

**ADMISSION TO THE PROGRAM:**

Applicants must have completed French 2101 before the beginning of the Fall semester when they would leave for France.

Completion of other 2nd year French courses before the beginning of the Fall semester, especially French 2601 and 2602, will strengthen an application.

**HOW TO APPLY:**

Applications for admission may be obtained from:

https://www.mun.ca/languages/Nice_Application.pdf

or General office – SN-4023

or by request through email at languages@mun.ca.

**DEADLINE**

**January 31st (at noon)**

**For more information**

please contact Dr. Karine Abadie (kabadie@mun.ca)
WHAT YOU WILL STUDY:

Students participating in this program complete a total of 10 courses.

Four of these are taught by a faculty member of one of the Canadian universities involved in the program (one course each semester being a French language course, the other a course in an area of expertise of the instructor).

The remaining three courses each semester are chosen by the students from those offered at the Université de Nice.

WHERE YOU WILL STUDY:

Students will study at the Carlone campus which houses the Faculty of Arts and Humanites of the Université de Nice Sophia-Antipolis.

ON SUCCESSFUL COMPLETION OF THE PROGRAM, STUDENTS ARE AWARDED

- 12 credit hours for specific Memorial courses (FREN 3102, 3103, 3507 and 3508);
- may be awarded up to 18 unspecified or specified credit hours at the 3000 level for courses offered by the Université de Nice upon application to the Department Head.

* Please ask the Department Head for permission if you are registered in the Honours' program, and want to take a 4000 level course
