ARTICLE 1 – Preamble

1.01 The University and LUMUN recognize the important contribution of Per Course Instructors to the University in the achievement of its mission.

ARTICLE 2 – Purpose

2.01 The general purpose of this Agreement is to establish orderly collective bargaining between Memorial University of Newfoundland (hereinafter referred to as the “University”) and its Per Course Instructors, represented by the Lecturers’ Union of Memorial University of Newfoundland (hereinafter referred to as the “Union”); to establish and maintain a harmonious working relationship between the Parties; to ensure the prompt resolution of disputes and grievances; and to set forth the terms and conditions of employment.

2.02 The Parties recognize that it is in their common interest to promote and enhance the working relations between the University, the Union, and its members, consistent with the principles of mutual respect, cooperation, and academic freedom.

*ARTICLE 3 – Definitions and Interpretations

3.01 For the purposes of this Collective Agreement:

(a) “Academic Year” runs from September 1 to August 31 inclusive of both dates.

(b) “Academic Unit” shall mean an Academic Department, School, non-departmentalized Faculty, Faculty of Medicine Division, the Fisheries and Marine Institute, to which one (1) or more Per Course Instructors have their appointment. For Per Course Instructors in the Faculty of Medicine who are not members of a Division, the Academic Unit shall be the Faculty.

Courses may be taught by various methods including, but not limited to, lectures, laboratories and distance delivery.

(g) “Day” shall mean a weekday when the University is open for administrative business unless otherwise stated in this Collective Agreement.

(h) “Distance Education” shall mean the teaching of a course section where its mode of delivery is completely online or in traditional correspondence when the instructor is not in the physical presence of the students.

academic years to collaborate with faculty members at the University. These appointments are not subject to the MUN-MUNFA Collective Agreement.

3.02 When a word in the singular number or either gender is used in this Collective Agreement, it shall be construed as if the plural number of the other gender has been used and vice-versa where the context requires.

**ARTICLE 4 – Union Recognition**

4.01 Further to the Order issued by the Labour Relations Board of the Province of Newfoundland and Labrador, dated December 21, 2006, the University recognizes the Union as the exclusive bargaining agent for all employees of Memorial University of Newfoundland employed as Per Course Instructors to teach two (2) courses or less per semester on a limited term basis on the campuses of the employer in the Province of Newfoundland or by distance education to the students of Memorial University of Newfoundland, save and except employment subject to the terms of a Collective Agreement between Memorial University of Newfoundland and the Memorial University of Newfoundland Faculty Association.

4.02 The Parties agree that Per Course Instructors employed by Memorial University of Newfoundland on the campus of Cape Breton University to teach two (2) courses or less per semester on a limited term basis are included in the bargaining unit.

*ARTICLE 5 – Union Security and Check-Off*

*5.01 No member of the bargaining unit is required to join the Union as a condition of employment. However, every Per Course Instructor shall become a member of the Union on date of appointment, unless that Per Course Instructor opts out by written notice to the Union within thirty (30) days of that date. Every member of the bargaining unit shall pay equivalent dues to the Union. The University shall advise new Per Course Instructors in their letter of appointment that they are included in the bargaining unit represented by the Union, and that their employment is on the terms and conditions set out in the Agreement. The letter shall also include contact information for the Union and website address where the collective agreement may be accessed, or a copy of the collective agreement.*

5.02 The University agrees to provide to the Union copies of all letters of appointment at the same time that they are provided to Per Course Instructors.

5.03 The University shall invite recently appointed Per Course Instructors to participate in an orientation program.

5.04 At the Per Course Instructor’s request, the instructor shall be permitted to have a Union representative present at any meeting with the University concerning a matter arising out of the Collective Agreement.
5.05 Duly authorized representatives of the Union shall be permitted to transact official business of the Union with members of the Union or with official representatives of the University, on University property, provided such business shall not interfere with the normal operations of the University.

**Dues Check-Off**

5.06 The University agrees to deduct on a bi-weekly basis the dues or assessments of the Union from the salary of each Per Course Instructor.

5.07 The Union shall advise the Director of Faculty Relations in writing of the amount or rate of its bi-weekly dues or assessments. The University shall remit to the Union the amounts deducted within one (1) week following each bi-weekly pay day. Such remittance shall be accompanied by a list sent electronically that includes the name, employee identification number and academic unit of each bargaining unit member from whose salary the deduction has been made.

**Information for the Union**

*5.08 The University shall provide the Union with a list of employees in the bargaining unit on a bi-weekly basis starting the first pay period of each academic term. Such list shall include name, academic unit, teaching assignment, and payment. Subject to availability, the University shall provide the mailing address, telephone number and Memorial University e-mail address of each Per Course Instructor. Notification of changes to appointments shall be made within ten (10) days of any such change. The University shall also provide the Union with a list of employees in the bargaining unit appointed under Clauses 13.07 and 13.08 of the Agreement by the third week of each academic term. The confidentiality of personal information shall be protected by the Union and the information shall only be used for communication with bargaining unit members necessary for their representation and shall not be shared with any third party.

5.09 The University will post the text of the Collective Agreement on its website and the Office of Faculty Relations will provide a printed copy to any Per Course Instructor on request. A copy of the Collective Agreement shall be made available in the administrative office(s) of each academic unit.

5.10 The University shall host the Union’s website.

**Office Space and Facilities**

5.11 In order to facilitate the administration of the collective agreement, the University shall make available to the Union, without charge, office space that is accessible to persons with disabilities.
5.12 Postal and telephone service will be provided on a cost recovery basis. Printing, computing services, use of audio visual equipment and internal mail service shall be provided to the Union on the same basis and at the same rates as it is provided to Academic Units.

5.13 The University shall provide the Union with access to meeting rooms for the purpose of holding membership meetings, subject to availability of space.

**ARTICLE 6 – Management Rights**

6.01 The Union recognizes that all rights, powers and authority which are not specifically abridged, delegated, or modified by this Collective Agreement are vested in the University.

6.02 The University shall exercise these rights in good faith and in a reasonable non-arbitrary and non-discriminatory manner.

**ARTICLE 7 – No Discrimination and No Harassment**

*7.01 The University and the Union agree that there will be no discrimination, interference, restriction, intimidation or coercion with respect to any Per Course Instructor regarding the terms or conditions of employment by reason of race; religion; religious creed; political opinion; political activity; colour or ethnic, national or social origin; sex; pregnancy; sexual orientation; gender identity; gender expression; marital status; family status; physical disability or mental disability; disfigurement; source of income; age; except as may be permitted by the Human Rights Act, 2010 c. H-13.1, as amended, nor by reason of membership or non-membership in the Union, nor by reason of language (except where the lack of language competence would clearly prevent the carrying out of required duties). While the parties agree not to discriminate on the basis of place of residence, Per Course Instructors who choose to reside in locations which predictably interferes with the discharge of their responsibilities may not cite this clause as a defence against disciplinary action resulting from that failure to discharge their responsibilities.

7.02 The University and the Union acknowledge the legal duty to accommodate any Per Course Instructor regarding the terms and conditions of employment up to the point of undue hardship in accordance with the Human Rights Act, 2010 c. H-13.1, as amended.

7.03 In situations where an accommodation is required pursuant to Clause 7.02 regarding the terms or conditions of any Per Course Instructor’s employment, the University, Union and Per Course Instructor shall meet to explore the required reasonable accommodation.
7.04 The University has a responsibility to provide a workplace and learning environment that is free of sexual and personal harassment.

7.05 The Parties agree that the Union shall be entitled to representation on the Sexual Harassment Board.

7.06 Per Course Instructors alleging that they have been personally harassed may file a complaint in accordance with the University’s Respectful Workplace Policy and/or may file a grievance in accordance with Article 17 – Grievance Procedure.

7.07 Per Course Instructors alleging that they have been sexually harassed shall pursue the matter in accordance with the University-Wide Procedures for Sexual Harassment Complaints and Concerns. This shall not preclude a Per Course Instructor from filing a grievance in accordance with Article 17 – Grievance Procedure.

ARTICLE 8 – No Strike or Lockout

8.01 The parties agree that there will be no strike or lockout as defined by the Labour Relations Act, R.S.N.L. 1990, c. L-1, as amended, during the life of this Collective Agreement.

8.02 During a strike or lockout of another University bargaining unit, Per Course Instructors shall not be required to perform the duties of those employees.

ARTICLE 9 – Union Management Committee

9.01 There shall be a Union-Management Committee consisting of three (3) bargaining unit representatives appointed by the Union and three (3) representatives from within the University appointed by the University. One (1) representative of each of the Parties shall be from Grenfell Campus.

9.02 The purpose of the Committee is to review matters of mutual interest arising from the application of this Collective Agreement and to foster communication and co-operation between the Parties, but the Committee shall not have the power to deal with any matters which are properly the subject of a grievance or negotiation.

9.03 The Committee shall meet whenever the need arises, but in any event, at least every three (3) months. A member or members of the Committee shall participate by teleconference or other telecommunications technology where it is not feasible to meet in person.

9.04 The Committee shall have co-chairpersons appointed by the respective Parties. Each co-chairperson will alternately be responsible for convening and chairing meetings of the Committee.
9.05 Minutes of each meeting of the Committee shall be prepared by the non-chairing co-chairperson and distributed to all Committee members, where reasonably practicable, at least seven (7) days prior to the next meeting.

**ARTICLE 10 – Reports and Resolutions of the University**

10.01 The University agrees to provide the President of the Union, upon request, with a copy of the Memorial University budget approved by the Board of Regents, and a copy of the University’s audited consolidated financial statements.

**ARTICLE 11 – Representation on University Bodies**

11.01 Subject to Senate by-laws and procedures, the Union shall be entitled to send a non-voting delegate to meetings of the Senate.

11.02 *The University agrees to the principle of Per Course Instructor participation at departmental meetings and on committees in academic units when deemed appropriate by the Administrative Head and subject to constitutions and by-laws of academic units, the terms of reference of the body, the University Conflict of Interest policy, and relevance of the committee to the duties and responsibilities of the Per Course Instructor.*

(a) To be eligible to serve on a committee, a Per Course Instructor shall be on the seniority list in an academic unit and normally will hold a per course teaching appointment at the time they wish to participate.

(b) Participation shall also be subject to the following:

i. It shall be voluntary, without remuneration, and at the request of a Per Course Instructor;

ii. It shall not constitute part of the Per Course Instructor’s assigned duties and responsibilities as per Article 14; and

iii. It shall not be unreasonably denied.

**ARTICLE 12 – Seniority**

12.01 Seniority shall operate on an Academic Unit basis and shall be based on the number of courses or equivalents taught within the Academic Unit as a Per Course Instructor.

12.02 Per Course Instructors shall be on probation in an Academic Unit until they have taught three (3) courses or equivalent within the Academic Unit as a Per Course Instructor and have taught in at least three (3) semesters within a six (6) year period.
12.03 Per Course Instructors who do not meet the criteria in Clause 12.02 shall no longer have probationary status.

12.04 Following the successful completion of the probationary period, Per Course Instructors will be notified that they have been placed on the seniority list for the Academic Unit with credit for courses taught during the probationary period.

12.05 At least once each semester, no later than the end of the fifth week of lectures, the University shall provide the Union with a list of Per Course Instructors in each academic unit who are on the seniority list and who are on probation. Such list shall be in electronic format. It shall include course names and numbers, and the number of sections or equivalents taught by each Per Course Instructor within the academic unit. This listing will be used for offers of appointment for the next semester.

12.06 A Per Course Instructor shall be removed from the seniority list if:

(a) That individual has been dismissed for just cause and not reinstated; or

(b) That individual has not taught a course at the University as a Per Course Instructor within the last three (3) years.

At the Union’s written request and with the agreement of the University, a one (1) year extension to the three (3) year period may be granted in exceptional circumstances. Such requests shall be submitted with supporting documentation to the Director of Faculty Relations and shall not be unreasonably denied.

*12.07 If an academic unit restructures or if academic units are merged, the University and the Union shall mutually agree on how seniority lists will be affected by the structural change, through a Memorandum of Understanding (MOU).

*ARTICLE 13 – Appointments

13.01 When the Administrative Head determines that a course is available to be taught by a Per Course Instructor, the position shall be posted electronically and may be concurrently advertised elsewhere. The University shall concurrently email the Union copies of all postings. The posting(s) shall be for a minimum of ten (10) days except where this is not possible due to emergency circumstances.

*13.02 Appointments available for Per Course Instructors shall normally be posted no later than October 30 for the Winter semester, no later than February 28 for the Spring/Intersession/Summer semester, and no later than June 30 of each year for the Fall semester. Should the University be closed for administrative business on the relevant date, the next Day the University is open for administrative business shall apply.
13.03 Postings shall include, but are not limited to, the nature of the position, the application deadline and the requirements for the position including academic and professional qualifications and experience.

13.04 Applications in response to postings shall be submitted electronically or in writing to the Administrative Head.

13.05 In accordance with the provisions of the Collective Agreement in Article 12, persons applying for a posting shall have seniority for the appointment based on the number of courses or equivalents previously taught in that academic unit of Memorial University, provided they meet the requirements for the position as outlined in the job posting. In the event that more than one (1) applicant has equal seniority, the final determination will be made by the Administrative Head.

13.06 In the event a posted position is not filled through the posting procedure, including circumstances where there is no qualified applicant or no qualified applicant who is immediately available, the University may fill the position as it deems appropriate.

*13.07 In the event of an emergency situation such as, but not limited to, resignation, death, serious illness, withdrawal of the assigned instructor, higher than anticipated student enrolment, or when an unanticipated position occurs, the University shall, where it is practicable in the circumstances to do so, choose first from the applicant pool in the original posting following the procedure in Clause 13.05 above, which may result in a Per Course Instructor being assigned a second course. If there is no such applicant available, the University shall make every reasonable effort to post the position for a shorter period than stipulated in Clause 13.01 and follow the process under Clause 13.05. Where timelines do not permit a shorter posting period, the University may fill the position as it deems appropriate.

*13.08 The University, without posting and without following seniority, may assign:

(a) Adjunct Professors, Retired Faculty Members, or Visiting Professors, up to ten (10) courses in an academic year, of which Retired Faculty Members are limited to two (2) per year. Of the above ten (10) courses, no more than two (2) can be assigned in a single Academic Unit;

(b) Postdoctoral fellows, up to twenty (20) courses in an academic year, of which no more than three (3) can be assigned in a single Academic Unit;

(c) Postdoctoral fellows, up to two (2) graduate courses in an academic year of which no more than one (1) can be assigned in a single Academic Unit;

(d) Graduate students, during their program at the University, up to seven (7) percent of per course appointments in the previous academic year University-
wide. No Academic Unit may assign more than thirty (30) percent of Per Course Instructor appointments within that Academic Unit in an academic year under Clause13.08(d), and no one (1) unit can use more than fifteen (15) percent of the total allocation across the university;

(e) notwithstanding (d), doctoral students, up to five (5) courses in an academic year, of which no Academic Unit shall assign more than one (1) in an Academic Year; and

(f) a course developed through an agreement with the Centre for Innovation in Teaching and Learning and scheduled to be delivered through distance education for which the University does not hold a royalty free licence to the Per Course Instructor on the seniority list holding full or joint copyright.

An instructor shall be offered no more than two (2) appointments per academic year under this clause.

*13.09* The University, without posting and without following seniority, shall offer to the content author a new course developed through an agreement with the Centre for Innovation in Teaching and Learning and delivered through Distance Education, for the first two (2) offerings or for an initial period of twelve (12) months, whichever is longer.

13.10 When a new graduate program is approved by Senate or modifications to an existing graduate program are approved by Senate, the percentage of per course appointments filled by graduate students may increase in accordance with academic requirements of such programs. The University shall inform and consult with the Union on such developments in a timely manner.

13.11 All offers of employment to Per Course Instructors are conditional upon sufficient student enrolment in the course.

*13.12* Per Course Instructors shall be appointed and notified of their appointments in writing by the Office of Faculty Relations. For appointments made through Clause 13.05, appointment letters shall normally be issued within four (4) weeks of the closing date indicated in the relevant job posting. For appointments made through Clause 13.08, appointment letters shall normally be issued no later than four (4) weeks before the beginning of the academic term in which the appointment begins. For any appointment made under Clause 13.08, the letter of appointment shall indicate “this appointment is as per Clause 13.08 of the Collective Agreement between LUMUN and MUN”.

13.13 Where the current practice of cross-listing a specified course between departments is discontinued, the University shall consult with the Union with respect to seniority rights and the Parties shall deal with the seniority issues that arise on a case-by-case basis.
*13.14 All letters of appointment of Per Course Instructors shall specify the start and end date of the appointment. Per Course Instructors appointed under Clauses 13.05 or 13.08 shall not be obligated to perform any work-related duties until provided with a letter of appointment.

**ARTICLE 14 – Duties and Responsibilities**

14.01 All Per Course Instructors have certain duties and responsibilities that derive from their positions as teaching scholars and that includes a professional duty to develop and maintain their scholarly competence and effectiveness as teachers.

14.02 The duties and responsibilities of Per Course Instructors include course preparation and delivery and student evaluation and consultation, recognizing that there are approved non-standard teaching formats (including but not limited to Laboratory Courses, and intern, clinical, thesis and other academic supervision of undergraduate and graduate students in the Academic Unit). These duties and responsibilities shall be discharged in accordance with all regulations, resolutions, guidelines and policies of the University, including those of the Academic Unit as follows:

(a) Per Course Instructors shall attend any orientation sessions or meetings relating to the delivery of their assigned courses and teach their courses in accordance with course descriptions in the University Calendar and the schedule shown in the approved timetable. When it is not reasonably practicable for the Per Course Instructor to attend such orientation sessions or meetings, alternative arrangements may be made in consultation with the Administrative Head.

(b) Per Course Instructors shall inform their students of the methods and planned schedule of evaluation in their courses. Per Course Instructors shall, by the end of the second week of classes, provide the Administrative Head with information describing their current courses, including course outlines, methods of evaluation, bibliography (if appropriate), planned schedule of evaluation and student consultation arrangements, and upon request, instruments of evaluation and any material required for external accreditation purposes.

(c) Per Course Instructors shall schedule and be available on campus for individual consultation with students at reasonable times outside of scheduled teaching hours for not less than two (2) hours per course per week (prorated for portions of courses) or shall make such other arrangements as may be agreed to in writing by the Administrative Head. Per Course Instructors shall make these arrangements known to their students in writing not later than six (6) days after the start of lectures in a semester or three (3) days after the start of lectures in Intersession or Summer Session. In the case of Per
Course Instructors teaching distance education courses, such consultation may be conducted by distance technology.

(d) Per Course Instructors shall examine or otherwise evaluate students in courses and programmes for which they are responsible. This includes the evaluation of student work within a reasonable period of time after its submission, its demonstration or its performance and acceptance of a fair and equitable share of grading or marking in team-taught or multi-section courses with a common final examination. When such examination or other evaluation must be undertaken following the end of the appointment, it shall be the responsibility of the Administrative Head to arrange for the evaluation at no expense to the Per Course Instructor.

* Per Course Instructors shall perform their duties and responsibilities as outlined above. Notwithstanding Clause 28.01, in the event that a Per Course Instructor fails to fulfill their duties and responsibilities, and after multiple documented attempts to contact them through MUN email, the University may review the content of a course shell being taught by a Per Course Instructor.

ARTICLE 15 – Evaluation

15.01 Evaluation of Per Course Instructors by the Administrative Head may be carried out from time to time, but there shall be no more than three (3) such evaluations per instructor per semester unless mutually agreed upon between the instructor and the Administrative Head.

15.02 The primary purposes of evaluation are to improve the quality of teaching, to provide feedback and guidance and to ensure that Per Course Instructors meet their professional duty to develop and maintain their scholarly competence and effectiveness as teachers.

15.03 Evaluations shall relate to the duties and responsibilities referenced in Article 14 and may include consideration of timelines in attendance to duties and adherence to the regulations, resolutions, guidelines and policies of the University including those of the Academic Unit.

15.04 Evaluations of instructional effectiveness may include consideration of results of Senate-approved student evaluations, review of course and program content, in-class reviews and substantiated student reports on teaching.

15.05 Per Course Instructors shall be given no less than five (5) days' notice that an in-class, face-to-face, or electronically monitored (e.g. via teleconference, videotaped) evaluation is to take place.

15.06 Every reasonable effort shall be made to conduct in-class, face-to-face, or electronically monitored evaluations at a mutually agreed on time.
15.07 During their first semester teaching at the University, a Per Course Instructor may make a written request for an in-class review for the purpose of obtaining feedback and guidance on teaching practices, which shall be scheduled for a class mutually agreed between the Instructor and the Administrative Head.

15.08 Course Evaluation Questionnaires shall be conducted in accordance with Senate policies and procedures.

15.09 The results of evaluations will be shared with the Per Course Instructor, treated in a confidential manner, and placed in the Per Course Instructor’s official employee file in accordance with the provisions of Clause 19.04 of this Collective Agreement.

ARTICLE 16 – Discipline and Dismissal

16.01 No Per Course Instructor shall be disciplined or dismissed except for just cause.

16.02 The disciplinary actions that may be taken by the University include, but are not limited to, letter(s) of warning or reprimand, suspension(s) with or without pay, and dismissal. Such disciplinary action shall be in accordance with the principles of progressive discipline, and be reasonable and commensurate with the seriousness of the violation.

16.03 Where the University convenes a meeting with the Per Course Instructor for the purpose of communicating disciplinary action(s), the University will provide the Per Course Instructor with reasonable advance notice of the nature of the meeting and their right to Union representation and shall provide a reasonable period of time for the Per Course Instructor to secure such representation. The Per Course Instructor shall be provided with an opportunity to be heard at such meeting.

16.04 The University has the right to impose a non-disciplinary suspension with pay during the period of an investigation. If, on conclusion of the investigation, the University decides to take disciplinary action, such action shall be taken in accordance with the provisions of the Collective Agreement. If the allegations are dismissed, there shall be no record of the investigation in the Per Course Instructor’s official employee file.

16.05 The Per Course Instructor shall be notified in writing of the nature of any action(s) taken in accordance with Clauses 16.03 or 16.04 and the reasons for such action(s) within five (5) days, and a copy of the letter shall be forwarded to the Union at that time.

16.06 Any disciplinary action against a Per Course Instructor in regard to an allegation of sexual harassment shall be in accordance with the University-Wide Procedures for Sexual Harassment Complaints and Concerns, as amended from time to time in accordance with its terms.
ARTICLE 17 – Grievance Procedure

17.01 Should a dispute arise between the Union or a Per Course Instructor and the University, a good faith effort shall be made to settle the dispute in accordance with the provisions of this Article.

17.02 For the purpose of this Agreement, a grievance shall be defined as any difference arising out of the interpretation, application, administration or alleged violation of the Collective Agreement, including any question as to whether a matter is arbitrable.

17.03 The following types of grievances are recognized:

(i) **Individual Grievance**: The complaint of an individual Per Course Instructor.

(ii) **Group Grievance**: The complaint of two (2) or more Per Course Instructors.

(iii) **Policy Grievance**: The complaint of the Union or the University which may involve a question of general application or interpretation of the Collective Agreement.

17.04 The Union shall have the right to originate an individual, group or policy grievance. A Union policy grievance, a group grievance involving grievors from two (2) or more academic units, or a grievance involving suspension or termination of employment shall be submitted at Step 2.

17.05 The grievor shall be entitled to Union representation and shall be entitled to be present at every step of the grievance procedure. In the case of group grievances, as many grievors may be present as is reasonably practicable.

17.06 No grievance shall be defeated or denied by any technical objection occasioned by a clerical, typographical or similar technical error or by inadvertent omission of a step in the grievance procedure.

17.07 No Per Course Instructor shall be subject to reprisal for exercising their grievance rights under this Collective Agreement.

17.08 The University and the Union shall make every reasonable effort to schedule grievance meetings at times that do not interfere with the grievor’s employment duties. When this is not possible, the grievor shall be permitted the required time off to attend grievance meetings with the University without loss of pay or benefits. In such cases, the grievor shall make every reasonable effort to arrange an exchange or substitution for their scheduled teaching duties acceptable to the
Administrative Head. When this is not possible, the Administrative Head shall make such arrangements.

17.09 The time limits in this Article are mandatory and may be varied only by written mutual consent of the Parties to the Collective Agreement, and such consent when requested prior to the expiration of the time limits, shall not be unreasonably withheld. Should the University default on the time lines for responding to a grievance at any of the steps of the grievance procedure, the Union shall have the right to immediately advance the grievance to the next level.

17.10 At the St. John’s campus, the grievance procedure shall be as follows:

Step 1
A Per Course Instructor, together with their Union Representative shall, within thirty (30) days of the date the instructor knew or ought reasonably to have known of the occurrence of the matter giving rise to the grievance, submit the grievance in writing to the Administrative Head.

The Administrative Head shall render a written reply within twenty (20) days of receipt of the grievance, following a meeting of the Parties if either Party considers a meeting to be necessary. In a departmentalized unit, the Administrative Head shall also consult with the Dean of the Faculty prior to rendering a written reply.

Step 2
If the decision rendered by the Administrative Head at Step 1 is unsatisfactory to the Union, and the Union decides to continue the grievance, the grievance shall be submitted in writing to the Provost & Vice-President (Academic) within fifteen (15) days. The Provost & Vice-President (Academic) shall convene a grievance resolution meeting of the two (2) Parties who shall make a good faith effort to resolve the grievance. The Provost & Vice-President (Academic) shall render a reply within fifteen (15) days of receipt of the grievance.

Step 3
Failing a satisfactory settlement being reached, the Union may decide to take the grievance to arbitration and shall notify the Provost & Vice-President (Academic) in writing of its intent to submit the grievance to arbitration within twenty (20) days of the Union receiving the reply at Step 2.

17.11 At Grenfell Campus, the grievance procedure shall be as follows:

Step 1
A Per Course Instructor, together with their Union Representative shall, within thirty (30) days of the date the instructor knew or ought reasonably to have known of the occurrence of the matter giving rise to the grievance, submit the grievance in writing to the Administrative Head.
The Administrative Head shall render a written reply within twenty (20) days of receipt of the grievance, following a meeting of the Parties if either Party considers a meeting to be necessary.

Step 2
If the decision rendered by the Administrative Head at Step 1 is unsatisfactory to the Union, and the Union decides to continue the grievance, the grievance shall be submitted in writing to the Vice-President (Grenfell) within fifteen (15) days. The Vice-President (Grenfell) shall convene a grievance resolution meeting of the two (2) Parties who shall make a good faith effort to resolve the grievance. The Vice-President (Grenfell) shall render a reply within fifteen (15) days of receipt of the grievance.

Step 3
Failing a satisfactory settlement being reached, the Union may decide to take the grievance to arbitration and shall notify the Vice-President (Grenfell) in writing of its intent to submit the grievance to arbitration within twenty (20) days of the Union receiving the reply at Step 2.

University Grievances

17.12 The Provost & Vice-President (Academic) or Vice-President (Grenfell) shall have the right to originate a policy grievance on behalf of the University and to submit such grievance in writing to the President of the Union. Where the Parties are unable to resolve such grievance to their mutual satisfaction within twenty (20) days of receipt of the grievance by the Union, the Provost & Vice-President (Academic) or Vice-President (Grenfell) may within a further twenty (20) days notify the Union in writing of their intent to submit the grievance to arbitration.

ARTICLE 18 – Arbitration Procedure

18.01 Within fifteen (15) days of the receipt of the written notice of intent to submit the grievance to arbitration, the Parties shall appoint a sole arbitrator to hear the grievance. Where the Parties fail to agree upon a sole arbitrator within the preceding time frame, the Minister Responsible for the Labour Relations Agency shall, on the request of either Party, appoint a sole arbitrator to hear the grievance.

18.02 Where a grievance is referred to arbitration, the Parties may, by mutual written consent, agree to have the grievance heard by a board of arbitration.

18.03 Within fifteen (15) days from the date of such mutual written consent, each Party shall notify the other Party in writing indicating the name, address and telephone number of its nominee to the arbitration board. If either of the Parties fail to appoint a nominee within the specified time frame, the Minister Responsible for the Labour Relations Agency shall, on the request of either Party, appoint a nominee on behalf of the Party who fails to appoint a nominee.
18.04 Within ten (10) days of the appointment of the second nominee, the nominees shall select a person to chair the board of arbitration. If the nominees fail to select a chairperson within the specified time frame, the Minister Responsible for the Labour Relations Agency shall, on the request of either Party, appoint the chairperson on behalf of the nominees.

18.05 The sole arbitrator or board of arbitration constituted under this Article shall hear relevant evidence relating to the grievance and argument thereon and make a decision on the grievance. The decision is final and binding upon the Parties and upon any person on whose behalf this Collective Agreement was made.

18.06 The decision of the majority of the members of an arbitration board named shall be the decision of that board and if there is no majority decision the decision of the chairperson shall be the decision of the board.

18.07 The sole arbitrator or board of arbitration shall have all the powers vested in arbitrators under the Labour Relations Act, R.S.N.L. 1990, c. L-1, as amended, including in the case of discipline or discharge, the power to substitute another penalty that to it seems just and reasonable in the circumstances. The sole arbitrator or board of arbitration shall not have the power to alter, amend, modify, change or make any decision inconsistent with the Collective Agreement.

18.08 The Parties shall equally share the fees and expenses of the sole arbitrator. If the Parties mutually agree to a board of arbitration, each Party shall pay the fees and expenses of its own nominee to the board of arbitration and the Parties shall share equally the fees and expenses of the chairperson.

18.09 The time limits in this Article are mandatory and may be varied only by mutual written consent of the Parties to the Collective Agreement and such consent when requested prior to the expiry of the time limits shall not be unreasonably withheld.

18.10 The parties shall make every reasonable effort to schedule arbitrations at times that do not interfere with the employment duties of the grievor and other witnesses whose attendance is required at the arbitration. When this is not possible, the grievor and other witnesses shall be permitted the required time off to attend at the arbitration without loss of pay or benefits. In such cases, the grievor and any witnesses shall make every reasonable effort to arrange an exchange or substitution for their scheduled teaching duties acceptable to the Administrative Head. Where this is not possible, the Administrative Head shall make such arrangements.

18.11 Arbitrations shall be held at a location outside the University's premises, unless the parties mutually agree to hold the hearings on the University's premises in which case the University shall provide appropriate space for the hearing and each of the parties.
**ARTICLE 19 – Official Employee File**

19.01 There shall be one (1) official employee file which shall be maintained by and located in the Department of Human Resources.

19.02 Upon request, Per Course Instructors shall have the right, on the next day where reasonably practicable, to consult their official employee file in the presence of a representative of the University, and, if they so wish, a representative of the Union. Copies of the documents in a Per Course Instructor’s official file may be made available to the Instructor, on request.

19.03 Per Course Instructor shall have the right to authorize a named representative of the Union to examine their official employee file in their absence. Any such representative shall provide the express written authorization of the Per Course Instructor to the appropriate official of the Department of Human Resources. A separate authorization shall be provided for each such request.

19.04 A copy of any disciplinary or evaluation document shall be supplied concurrently to the Per Course Instructor. Per Course Instructors shall be given an opportunity to sign the file copy of an evaluation or disciplinary report as an acknowledgement that they have received such a report. Per Course Instructors shall have the right to respond in writing to any documents placed in their official employee file and their response shall also form part of their official employee file.

*19.05 Records of discipline shall be removed from a Per Course Instructor’s official employee file after twenty-four (24) calendar months from the date of such discipline, provided no other disciplinary offense that resulted in a written record of discipline was committed during that period.

19.06 In the case of a graduate student who is also a Per Course Instructor, all documents relating to the student’s employment as a Per Course Instructor shall be kept separate from the student’s academic file.

**ARTICLE 20 – Academic Freedoms and Responsibilities**

20.01 All Per Course Instructors enjoy equal rights to academic freedom.

20.02 Academic Freedom is necessary for the pursuit of the University’s purposes. The defense of academic freedom is an obligation on all members of the University community. Academic Freedom does not require neutrality on the part of the individual, nor does it preclude commitment. Rather, it makes commitment possible.

20.03 The parties agree to uphold the right of Per Course Instructors to teach, to learn, to engage in scholarly activity, to publish, to comment, to criticize, to examine, to
question, to acquire and disseminate knowledge, to create, and to perform; all of these without deference to prescribed doctrine.

20.04 Per Course Instructors with primary responsibility for the content and/or presentation of a course shall be accorded academic freedom in the design and/or presentation of that course, in accordance with the course description in the University calendar, and subject to the regulations, resolutions, guidelines and policies of the University, including those of the Academic Unit.

20.05 Academic Freedom includes the right to discuss and criticize policies and actions of the University and the Union and protects against the imposition of any penalty for exercising that right.

20.06 Academic Freedom carries with it the duty to use that freedom in a manner consistent with the scholarly obligation to base one's teaching and scholarly activities on an honest search for knowledge. In exercising the freedom to comment and criticize, Per Course Instructors have a corresponding obligation to use academic freedom in a responsible manner by recognizing the rights of other members of the University community, and by affirming the rights of others to hold differing points of view.

20.07 Academic Freedom does not confer legal immunity, nor does it diminish the obligations of Per Course Instructors to fulfill the duties and responsibilities of their appointments. Per Course Instructors shall not be hindered or impeded in any way by the University or by the Union from exercising their legal rights, nor shall they suffer any penalty imposed by either party for exercising those rights.

20.08 Per Course Instructors retain all their freedom as citizens to express themselves. The University accepts no responsibility for such expressions and shall exercise no censorship. In statements outside the University, Per Course Instructors shall not claim to speak on behalf of the University unless specifically authorized to do so. Should confusion arise concerning whether a Per Course Instructor was speaking on behalf of the University, the Per Course Instructor shall issue a disclaimer.

21.01 Per Course Instructors shall retain copyright to intellectual property created in the course of their employment. In cases where the University commissions a Per Course Instructor to produce or create intellectual property, copyright and royalties will be determined by agreement between the Per Course Instructor and the University and reflected in a written contract between the Per Course Instructor and the University and, if applicable, a third party.
ARTICLE 22 – Other Employment and Activities

22.01 The Parties recognize that other employment and professional activities may enhance the reputation of the University and the professional, scholarly and scientific competence of the Per Course Instructor.

22.02 The Parties recognize the part-time nature of Per Course appointments and the freedom of Per Course Instructors to engage in other employment, professional, scholarly or scientific activities.

22.03 Accepting a Per Course appointment from the University shall not restrict the Per Course Instructor from engaging in other employment, professional, scholarly or scientific activities, provided such employment or activities do not conflict with the performance of the duties and responsibilities of the Per Course Instructor and further provided that the Per Course Instructor shall not represent themselves as acting on behalf of the University, unless specifically authorized to do so. However, nothing shall prevent the Per Course Instructor from stating the nature of their appointment with the University.

22.04 Should outside activities involve the use of University employees, facilities, equipment, supplies or services, such use shall be subject to the prior written approval of the Administrative Head. The request for approval shall include information on the nature and scope of outside activities for which support is requested. If approval is granted, the charges for such employees, facilities, equipment, supplies or services shall be at the prevailing rates unless the Provost & Vice-President (Academic), or at Grenfell Campus, the Vice-President (Grenfell), agrees in writing, to waive all or part of the charges.

*ARTICLE 23 – Credit Courses

*23.01 Subject to the regulations of the University Calendar, and subject to sufficient space, Per Course Instructors may register for or audit one (1) credit course at the University during each semester that they are employed as a Per Course Instructor. Financial assistance is limited to the cost of tuition fees for one (1) three-credit hour University course as set by the Office of the Registrar, St. John’s Campus. This provision shall not be used to reduce program fees for graduate students registered at the University. This provision shall not apply to Per Course Instructors hired in accordance with Clause 13.08(d).

23.02 In the event Per Course Instructors on the seniority list does not register for a course offered during the semester in which they are employed (as per Clause 23.01), the Per Course Instructor may register for one (1) three-credit hour University course to be taken during the semester that immediately follows their most recent Per Course Instructor appointment, in accordance with the provisions of Clause 23.01.
23.03 In order to qualify under Clause 23.02, course registration shall occur in the semester in which the Per Course Instructor holds a per course appointment but no later than the last day of the exam period in that semester. All Per Course Instructors availing of this benefit are subject to the same procedures and regulations administered by the Department of Human Resources as other current employees.

**ARTICLE 24 – Expenses and Access to Facilities**

24.01 Per Course Instructors who are required to use their personal vehicles for University business shall be reimbursed in accordance with University Travel Guidelines.

*24.02 The University shall use its best efforts to provide Per Course Instructors, including distance education instructors, with access to appropriate on-campus office space that is conducive to the fulfillment of the duties of the Per Course Instructors. This shall include chairs, desks and storage space.

Per Course Instructors shall take reasonable care to protect their own health and safety and that of workers and other persons at or near the workplace.

25.07 A Per Course Instructor may refuse to perform work that they have reasonable grounds to believe is dangerous to their health or safety, or the health and safety of another person at the workplace until remedial action has been taken by the
University to the instructor’s satisfaction; the Building Health and Safety Committee, or at Grenfell campus, the Joint Health and Safety Committee, has investigated the matter and advised the instructor to return to work; or a government-appointed occupational health and safety officer has investigated the matter and advised the instructor to return to work.
