Faculty of Science
Mathematics & Statistics
Per Course Instructors

The Mathematics & Statistics invites applications from individuals interested in teaching the following Math 4230 Differential Geometry in the winter 2023 semester.

Subject to budgetary restrictions and sufficient enrolments, appointments will be made on a course by course basis and will not entail any obligation to conduct research or to perform any administrative service for Memorial University. Appointments will be made in accordance with the provisions in the MUN-LUMUN Collective Agreement. Course design and evaluation methods for all courses will be in accordance with the Mathematics & Statistics regulations and the Memorial University Calendar.
