

## **Startup with IBM Program**

Startup with IBM offers \$120,000 in free IBM Cloud credits, which can put your business on its path to transformational growth.

You can use your free credit to access various IBM services, learn new skills, and take advantage of IBM's global network.

To join this Startup with IBM, please apply here: <https://orders.cloud.ibm.com/IBMGEP-application/>.

---

## **Startup with IBM**

With your IBM Cloud credits, you can access more than 130 unmatched services including:

- Watson
- IBM Analytics
- IBM Security
- IBM Blockchain

## **Eligibility**

Startups applying must meet the following qualifications:

- Your business revenue in the last 12 months is less than \$1M USD
- Your business has been operating for less than 5 years
- You didn't previously receive IBM technology credits
- You are not a paying IBM Cloud customer

## **Here to Help**

Please contact IBM's sales team [HERE](#) at any time with questions, suggestions, or details on joining the program.
