

Internal Medicine Opportunities in Yellowknife, Northwest Territories

Are you a general internist looking to add urban, rural, or remote medicine to your work experience? Are you looking for adventure, opportunities for continued learning and to make an impact?

Then the Northwest Territories is the perfect fit for you!

Our Internists provide inpatient, outpatient, virtual care, and visiting IM travel clinics to the communities. Providing critical care coverage, managing the small ICU in Yellowknife, and telephone support to family physicians throughout the Northwest Territories are integral parts of the Internist practice. Our GIM's offer stress tests and some minor procedures in clinic. Regular travel clinics bring you to the communities surrounding Yellowknife to experience the indigenous cultures of Dene, Inuit and Metis. Internists receive an annual salary, annual Northern Living Allowance, recruitment bonus, annual retention bonus, retirement income benefits, relocation assistance, and group benefits.

Locum opportunities also available!

The Northwest Territories is home to 43,000 residents across our 33 communities, with Yellowknife as the urban centre of the territory. Yellowknife has all the amenities of a big city, with a touch of small-town charm and wilderness adventure.
