

ALL NATIONS  
HEALTH PARTNERS

## GENERAL INTERNIST OPPORTUNITY

Enjoy a robust & rewarding clinical experience!

Lake of the Woods District Hospital (LWDH) is located in the traditional territory of the Anishinaabe people of Treaty #3 right on the northern shores of beautiful Lake of the Woods in Kenora, Ontario. It is a 66-bed, fully-accredited community teaching hospital and is the second largest health centre in Northwestern Ontario.

Kenora,  
Ontario

Kenora provides services to approximately 70,000 people in the surrounding-area and neighbouring communities, including our resilient First Nations. We are a 2-hour drive from Winnipeg, Manitoba and are partnered with the All Nations Health Partners, hosting medical and interprofessional students and residents.

### Seeking a Full-time permanent General Internist to join our dynamic team! Locum opportunities are also available!

Enjoy a **shared, rotating call schedule** and weekly service model that includes 2 weeks on/1 week off Schedule is 1-week of inpatient/call, 1 week of outpatient clinic, and 1 week off) with a **competitive compensation** package (Alternate Payment Plan, top quarter of salary range & shadow billing).

#### Practice Profile:

Working in our supportive, collaborative, blended-model of inpatient and outpatient care, you will have ample opportunity to build on your expertise, managing every medical subspecialty as the only Internal Medicine Specialist team in town!

Services available include:

- MRP to 4-bed Level 2 closed model ICU with consults as needed to 45-bed Acute & Chronic care wings, 12-bed ED, 14-bed Psychiatry department
- Rapid Assessment clinic and overnight (home-based) call & Outpatient IM clinic on alternate weeks (hospital-based)
- Research and Teaching opportunity through Northern Ontario School of Medicine (NOSM)
- Portable Ultrasound for use in the ward and ED
- Stress-testing and holter monitors, CT, Echo, Fibroscan, Spirometry
- Other on-site and visiting specialist services include: Mammogram, Dialysis unit, Cardiac and Pulmonary rehabilitation programs, Urology, Wound care, Ophthalmology, general surgery, neurology, nephrology, dermatology, OB/GYN, Ortho,
- On-call anesthesiologists and Respiratory Therapists available 24/7
- ICU support from Thunder Bay Regional Health Sciences Center

There are a variety of competitive recruitment incentives to welcome you in this role, including relocation support, community engagement activities, and assistance with travel and accommodations.

Physicians may have access to high-class, lakefront accommodations with zero commute to the hospital and everything else that "lake life" in Kenora has to offer. The Northern Rural Recruitment incentives of up to **\$117,000** with 4-year commitment (NRRRI) may also be available.
