

Internal Medicine – Full Time/Permanent

The Upper River Valley Hospital is a 75-bed community hospital, serving a referral area of >100,000 patients. It is the newest hospital in New Brunswick and was the first full-service hospital in Canada to be recognized as a leader in energy and environmental design. The hospital provides services to the Town of Woodstock and surrounding areas.

Practice Profile:

- Mixed outpatient and inpatient practice with an opportunity to develop a niche outpatient clinic. We would have particular interest in Internists with GIM, Endocrinology, Rheumatology, Geriatric Medicine, Cardiology, or Benign Hematology interests/backgrounds.
- Call coverage providing consultative support for the Emergency department and Hospitalist programs.
- MRP coverage for a 5 bed Intensive Care Unit.
- Opportunity for ECG, Holter, ABPM etc. interpretation
- Opportunity for academic appointment and participation in undergraduate and graduate medical education (Dalhousie University and Memorial University).
- Current Department: 1 Respirologist, 1 Gastroenterologist, 1 Internist.

Hospital Resources:

- 5 bed level III closed model ICU, 300+ admissions annually.
- Stress testing, cardiac ECHO, PFT lab, Cardiac Rehabilitation, Asthma clinic, Endoscopy
- CT, with planned MRI installation in 2024/5.

Qualifications:

- FRCPC (or equivalent) Internal Medicine with or without subspecialty.
- Eligible for Independent Registration with College of Physicians and Surgeons of New Brunswick.
- ICU Comfort is an asset.
- Excellent communication, interpersonal, team-building skills.

Remuneration:

- Fee for service; ICU which is remunerated via an alternative funding plan.
- Relocation Assistance: \$8,000.
- Recruitment Incentive: \$100,000 over 4 years.

Applications may be sent (CV along with three references) in confidence to Molly Pevlin, Physician Recruitment Officer:
