

## Hospitalist Locum for Internists

Royal Inland Hospital, Kamloops, British Columbia

We are seeking internists to provide flexible locum coverage for the hospitalist service at **Royal Inland Hospital**.

The hospitalist service is a robust group that cares for roughly 2/3 of all patients admitted to Royal Inland Hospital- many of these patients are 'internal medicine' type patients.

- The locum experience is entirely flexible and can be organized for a few days of admitting patients from the emergency department to a week 'block' covering a cohort of patients. Overnight call requirements are minimal.
- There is potential for a blended locum week with some internal medicine coverage as well.
- There is a well established culture of collegiality and collaboration within the hospital

Kamloops is an excellent location for a working vacation- set on a vast landscape of sandstone canyons, grasslands and evergreen timberlands. Enjoy the amenities of a big city, while having eight provincial parks at your door step. Kamloops is surrounded by extensive opportunities for mountain biking, hiking, skiing, boating and fishing. Come play a round at Tobiano golf course, or head up to Sun Peaks Four Season Resort for world class mountain biking and skiing.
