

## Pending Courses – Supplemental

### Instructions:

This file is required only if you will be completing courses **at any level** (including Master's degrees commencing after your application is submitted) at any post-secondary institution from September 2023 – August 2024. If this does not apply to you, submit your application without this document and leave the upload field in the application empty.

**If you will be completing the final year of your undergraduate degree and it is your first post-secondary degree, then this form is required.**

Complete the table on the following page to indicate the courses you intend to complete until August 2024. The courses need not be finalized at this time, but you should be able to indicate reliably the number and type of courses you will be completing over the next year.
