Topic	Details	Action Items and person responsible
MUN Wi-Fi	Still trying to identify bad areas in HSC and drive Wi-Fi for students, clerks and residents.	HSIMS-Sean/Steve
NLCHI Rep	Haven't reached out to anyone yet to see if they would like to be on iTAC.	Steve Pennell
One45 Physician list	The physician's full name is not showing from a list given by Kelly Penton. This is causing the student to choose the wrong physician at times in One45.	Steve Pennell-Ask Kelly at CLSC to make sure the full name is given to the students.
T-Res	Check to see if clerks are showing totals in their reports. Reports ran by HSIMS are showing counts for Clinical Experiences and Mandatory Procedures.	Steve Pennell-Check with T-Res
AV Redesign for Learning Room.	The learning rooms will have the AV upgraded to be more user friendly. There are a few options being looked at but nothing is confirmed yet. There was also a mention of looking at extension cords for multi plugs.	HSIMS-Sean/Steve
BoardVitals	There was a question from students why BoardVitals was available and not UWorld, which is something the students are purchasing themselves.	Steve Pennell

**Our Vision:** Through excellence, we will integrate education, research and social accountability to advance the health of the people and communities we serve.
