

# Learner COVID Symptoms or Exposure Process Map

## Occupational Health

Eastern Health:  
(709)777-7777 (path 3 -2)  
[occhealth@easternhealth.ca](mailto:occhealth@easternhealth.ca)

Central Health:  
(709)424-2424

Western Health:  
(833)710-0408

Lab-Grenfell Health:  
(709)454-0306

**All learners are reminded to follow the guidelines and recommendations of public health. Public health advisories regarding outbreak sites and exposure risks may be first communicated via the media to the general public before UGME and PGME have had an opportunity to communicate to physicians and learners. Learners should follow the public health advisories when there has not been an opportunity for UGME/PGME to communicate instructions directly.**

**MRP: Most Responsible Physician (Preceptor)**  
**DME: Distributed Medical Education**  
**APA: Academic Program Assistant**

\*PGME learners contact the RHA occupational health office. UGME learners contact 811. \*\*As defined by PGME and UGME leadership
