

The Dr. Richard Fagan Medical Students' Society Travel Award in Medicine Application Form

Background Information

This award was established by Memorial University of Newfoundland's Medical Students' Society in honour of Dr. Richard Fagan. Dr. Fagan was known amongst his peers for his sense of adventure. Whether exploring nature close to home or travelling to ski in the Rockies or Andes, his enthusiasm for new experiences was clear and enriched the lives of his peers. Valued at a portion of the income on the investment, this award will help offset the costs required to attend a medical conference.

Preference will be given to students who have not obtained funding from any other source.
