

Team 1984 Award in Autism Education & Research Application Form

Background Information

This award was established by donations from the Faculty of Medicine Class of 1984 and friends. Initiated by the fundraising efforts of Dr. Peter Bartlett and Dr. Richard Hu, the award aims to forward education and research in the area of Autism Spectrum Disorder and associated cognitive development.

Requirements

Applicants must:

1. Be a student in the Undergraduate Medical Education Program.
2. Meet scholarship standing as defined by the university.
3. A personal letter demonstrating an interest in education or research in the area of Autism Spectrum Disorder or associated cognitive development. (Include any research that you have done before medical school and the current research that you are involved with.) (300 words maximum)
4. Submit a copy of abstract or your poster presentation if any.
5. Submit a current CV.
6. Complete this application form.
7. Submit all documents via email to ScholarshipsUGME@mun.ca.

Application forms must be signed and completed in full by the applicant. Incomplete or improperly prepared application forms disqualify the applicant from the competition.
